Beckville offense could surprise Harleton, however

Harleton given 5-point nod over Cats

The Panola Watchman

Beckville — Nobodyucha. What a welcome change from last year, when the Cats gave up 41 points to Beckville in the only game they played against Beckville, the school that won the Class A Division II state title.

The Wardrobe of the Beckville defense is stocked with upperclassmen, the same players that helped the Bobcats win the state championship last year. It wasn’t the same team that won the state title, but it was a team that went undefeated in the regular season.

Beckville’s 5-2 record in regular season play has not gone unnoticed, as Harleton head coach Bob Britten has been keeping a close eye on the Bobcats.

Beckville’s defense is led by senior linebacker Justin Davis, who has 77 tackles and 12 sacks on the season. Davis is one of the top defensive players in Class A.

Beckville’s offense is led by junior quarterback Johnnie Rabon, who has thrown for 1,560 yards and 17 touchdowns. Rabon is also a threat on the ground, having rushed for 570 yards and 10 touchdowns.

Beckville’s defense played well in a 28-7 win over Kountze last week, holding the Indians to just 205 total yards.

Beckville head coach Chris Osburn said his team is ready for the challenge that Harleton poses.

“Harleton is a very good team, and we know that we have to be at our best to have a chance to win,” Osburn said. “We’ve been preparing for this game all season, and we’re ready to go.”

Beckville will be looking to continue its winning ways as it faces Harleton in a game that could decide the Class A Division II championship. The winner will advance to the state playoffs, while the loser will be eliminated.

Beckville fans can expect a hard-fought game as the Bobcats look to continue their run for a state title.
