Career changes keep Baushke behind desk

Bauschke intends to retire next year after 25 years of serving on the Board of Directors of Pacific Life Insurance Co. He began his career with the company in 1939 as a sales representative and worked his way up to the presidency in 1974. In 1975, he was appointed chairman of the board, a position he held until his retirement. During his tenure, Bauschke was instrumental in expanding the company's operations and diversifying its product offerings. He is widely regarded as a visionary leader who helped transform Pacific Life into one of the nation's largest and most respected insurance companies. After his retirement, Bauschke plans to continue his philanthropic work and engage in various community service projects. He is also expected to remain active in the business world, offering mentorship and advice to aspiring leaders. His contributions to the insurance industry and the community as a whole will be remembered for years to come. Bauschke's legacy is a testament to the power of dedication, vision, and hard work in achieving success and making a positive impact on society.

Chapel Hill's 22-15 win Thursday night over Carthage in the Class 1B sectional finals was a bittersweet victory for Coach Abu Moss and the Bulldogs. Four of Carthage's 10 starters saw little action in the sectional final.

The Bulldogs were missing four of their key players for the sectional final, but Coach Moss said they plan to have everyone back for the first round of the playoffs.

"We had some injuries, but we're confident we can beat Carthage in the playoffs," Moss said. "We have a lot of talent on this team and we will be ready for them."
