Miss Panola County pageant reigned for 28 years

Know Your Heritage

By Louise Latour

This week we hear exciting news about the Miss Panola County pageant, which has been a part of Panola County for over 28 years. The pageant was started in 1929 and has been run by the Panola County Junior Chamber of Commerce.

For the past year the Miss Panola County pageant has been searching for a successor to Miss Panola County 1993. The search has included interviews and a talent competition with several contestants. The new Miss Panola County will be announced at the pageant on Saturday, September 24th.

The Miss Panola County pageant has been a great way to promote Panola County and to give young women an opportunity to be confident in their abilities. The pageant has also helped to raise money for scholarships and other local organizations.

For more information contact Louise Latour at 935-4937.

Businesses denied EMS coverage

A group of business owners in Cartagena, Colombia, have been denied emergency medical services (EMS) coverage by their insurance provider. The owners say they were told by the insurance company that their business operations do not align with the coverage they were paying for. The situation has been exacerbated by the recent COVID-19 pandemic, which has caused a surge in demand for emergency services. The group is now seeking legal advice to pursue their rights under the law.

Dawgs clean Farmer's plow in big upset

Dawgs clean Farmer's plow in big upset

The game between the Dawgs and the Farmers will be a major upset. The Dawgs have historically dominated the Farmers, but this year the Farmers have been playing exceptionally well. The Dawgs are favored by 10 points, but the Farmers are not giving up easily. The game will be a thriller, and the outcome is uncertain. The Dawgs will need to have a strong performance on both offense and defense to secure the win.

Dawgs' yardstick

The Dawgs' yardstick is a measure of their performance. The Dawgs have been playing well this season, and are currently ranked second in the league. The Dawgs' yardstick is calculated based on their win-loss record, points scored and allowed, and other statistical measures. The Dawgs will need to maintain their high level of performance in order to remain at the top of the league.

The win has boosted the team's morale and confidence, and they are now looking forward to their next game against Springfield.

Friday Night Football?

Football?

The question of whether to play Friday Night Football is a controversial topic. On one hand, Friday Night Football allows for a larger audience and creates a sense of community. On the other hand, it can be disruptive to students and affect their performance in the classroom. The decision should be made with the best interests of the community in mind.
