**Construction bids selected for CHS’s classroom addition**

Construction of a new high school wing is moving ahead. As of press time, bids for the project had been selected, with bids totaling $120,000. The project is scheduled to be completed by the end of this school year.

**PHG to study Beckville clinic**

PHG has announced plans to study a potential location for a new clinic in Beckville. The study will be conducted over the next several months, with results expected by the end of the year.

**Two arrested in connection with thefts of equipment**

Two individuals have been arrested in connection with a series of thefts from local businesses. The suspects, aged 18 and 20, were charged with burglary and theft.

**Local man killed in accident**

A local man, identified as John Smith, was killed in a car accident on Highway 123. The accident occurred near the intersection with County Road 250.

**Pricetag on appraisals decreases for district**

The cost of appraising real estate properties in the district has been reduced by 10%. The new cost is $500 per appraisal, down from $1,000.

**PHG opposes reduction of local control**

PHG has opposed the proposed reduction of local control in the district. The organization cited concerns about the impact on local decision-making and the potential for increased bureaucracy.

**Local construction gets green light**

Construction bids have been selected for the new classroom addition at CHS. The project is expected to be completed by the end of this school year.

**PHG to study potential clinic location**

PHG is conducting a study to determine the feasibility of building a new clinic in Beckville. The results are expected by the end of the year.
