Seventh Pou reunion held
On Saturday, May 2, the seventy-three members and guests of the late Sarah F. Pou held a reunion at the historic Pou home in Carthage. The event was organized by her son, Dr. Robert Pou, and his wife, Susan. The reunion included a tour of the Pou house, a family dinner, and a presentation on the history of the Pou family. The event was attended by family members from across the country, and it was a wonderful opportunity for everyone to reconnect and celebrate the family's heritage.

FSA features new mergers
There's a new look on the horizon for the Farmers Service Agency (FSA), thanks to the onset of new mergers. The FSA has been undergoing a restructuring process, and as part of that process, it is merging with other agencies to streamline operations and improve service. The new mergers will allow the FSA to better serve the needs of its clients and stakeholders, and it is expected that these changes will result in improved efficiency and effectiveness for the agency.
Less than a year ago, the region’s leading hospitals and physicians joined with insurance companies and businesses to form an innovative alliance — Healthcare Partners of East Texas, Inc. Since then, Healthcare Partners has grown to provide care for over 125,000 East Texans, to contract with 35 different insurance companies and to offer the services of 957 physicians. More choices with greater value is why Healthcare Partners of East Texas has quickly become the leading provider of managed care in our region.

Why Healthcare Partners should be a part of your health plan:

- **Regional Coverage.** Through Healthcare Partners, over 20 hospitals and dozens of clinics and other medical facilities across East Texas provide care under the direction of literally hundreds of local physicians from every major specialty.

- **Healthcare Value.** Through shared services and more efficient healthcare treatment, Healthcare Partners promotes quality with reduced costs.

- **Insurance Choices.** Healthcare Partners offers you the choice of dozens of insurance companies. Chances are we’ve already working with your current provider so you can continue your coverage with an insurance company you know and trust.

- **Comprehensive Care Management.** From the time of hospital admission to discharge and beyond, your plan of treatment is carefully monitored to ensure optimum care. Our medical director and case managers work with your doctor to promote effectiveness, efficiency and convenience during your hospital stay.

- **Preventive Care and Business Health Programs.** We realize the best way to treat an illness or injury is through prevention. That’s why we work with employers to provide preventive care programs and health screenings designed to identify health problems before they become severe. Healthcare Partners also helps businesses reduce risks to employees through job-site evaluations.

- **Customer Support.** We realize that making sense of health plans can be difficult, both for employees and employers. Healthcare Partners has a trained staff available to work with you to explain the claims process and offer help. And all our covered employers receive a directory which explains our provider network and lists our team of hospitals and physicians.

- **Planning Analysis.** Our marketing representatives can meet with employers to analyze your current coverage plan at no cost or obligation to you. Healthcare Partners is also eager to meet with local brokers who are helping businesses make decisions regarding healthcare coverage.

- **Visionary Outlook.** Healthcare Partners is looking to the future and charting national trends in health care to see how these changes will affect the East Texas area.
