Elysian Fields wins in overtime, 64-58

Marshall City High School

Amarillo lost minutes and lost state championships, but with the win in overtime, 64-58, they advance to the second round of the playoffs. The time was 1:32 with seconds left in the game and the score tied at 49.

Patrick Washington scored 26 points for Elysian Fields, while Damion Washington added 15. For Marshall City, Darnell Washington scored a game-high 34 points, including the game-winning shot with 1:32 left. The win was a welcome relief for the team, who had been struggling in recent games.

The game was a hard-fought battle, with both teams playing well. Elysian Fields led for most of the game, but Marshall City came back to tie it in the fourth quarter. The overtime period was a nail-biter, with both teams making key shots and turnovers.

In the end, Elysian Fields emerged victorious, thanks to Washington's heroics. The win sets up a second-round matchup with a team from the other side of the bracket. It will be a tough test, but the team is looking forward to the challenge.
