Hospital thanks board members

At Thursday’s meeting of the hospital trustees, the administra- tion of new hospital manager, Robert E. Adams, was discussed. Dr. Alvin H. Ginns, who is outgoing president, announced that the new manager has been in charge of the hospital for the past six months. He has worked closely with the administration of the hospital and has brought about many improvements in the hospital’s operation.

PHG explores benefits for employees

Pineville General Hospital will look into one possible way to explore employee benefits through the new program for employee benefits under the New York and New Jersey Retirement Systems. If the hospital board decides to adopt the plan, it will be effective next month.

The board approved a preliminary survey to determine the cost of providing the benefits to the employees. The survey is expected to be completed by the end of the year. If the survey results are favorable, the hospital board will consider adopting the plan in the future.

The board also discussed the possibility of offering employees a retirement benefit package that would be similar to the one currently offered to employees of the state and local governments. The board is expected to make a decision on the matter in the near future.

Shriners, blood drive scheduled Wednesday

S. Wayne Wells, president of the Shriners, announced that a blood drive will be held at the hospital on Wednesday, April 19. The drive will run from 10 a.m. to 4 p.m. and is open to all hospital employees.

Any healthy person age 18 or older can donate blood, if they meet certain medical criteria. The blood drive is being held to help meet the hospital’s needs for blood products.

The Shriners are planning to collect enough blood to meet the hospital’s needs for the next six months.

Appraiser earns high marks

Pineville General Hospital’s appraisal committee recently gave the hospital a high rating in its most recent appraisal. The committee, which is responsible for evaluating the hospital’s financial statements, found the hospital to be in good financial condition.

The appraisal committee recommended that the hospital continue to operate efficiently and effectively.

Cataract surgery patient grateful

A patient who underwent cataract surgery at the hospital last month expressed her gratitude to the medical staff for their excellent care.

The patient, who is a resident of Pineville, said that she was very pleased with the outcome of the surgery and that the medical staff had gone above and beyond to ensure her comfort and recovery.

The hospital’s medical staff is always dedicated to providing the best possible care to its patients.

**Lady Dogs handle Henderson, 69-52**

HENDERSON — Tiara Green scored 13 of her game-high 23 points in the first half and added 12 in the second half as the Lady Dogs (16-1) went on to beat Henderson (7-9), 69-52, in a Region IV-4A semifinal game at Carthage's Panther Coliseum.

"I think we played better than we did in the first game," said Lady Dogs' coach Donnie Hagans. "We held Henderson to only six points in the first two minutes of the third quarter and that was the margin of victory." The Lady Dogs led throughout the game, outscoring Henderson, 40-29, in the first half and 29-23 in the deciding second half.

**Beckville boys fall to late Rams' rally**

CARLISLE — The Beckville boys' basketball team's nearly perfect performance in the first nine minutes of play was not enough to overcome a late rally by the Graham boys, who scored 28 of their 37 points in the second half.

In the game's final minutes, Beckville led, 29-30, but Graham came back to win, 37-30. The game was played at Madisonville's Carlisle High School.

Little Lions learn lesson with Dawgs

Bigger isn't always better. It's not the number in front of the score sheet that counts. It was the only point the Lions scored, and there was only one small point in the difference. But that was enough to win the game, and that was enough to win the conference championship.

The Dawgs, on the other hand, were big and strong, and they scored 34 points. They were big and strong, and they won the game, and they won the conference championship.
