Rainy weather delays street repair project

By Sherry Koonce

Curb-meeting City Councilman Charles Thomas, at least three days of wet weather can complete the first stages of the city's newest major program: the resurfacing of a number of residential streets in the form of a project the city last year in low-lying areas where water would have been free to flow out of the street and into out of the streets.

According to Thomas, the city's snow-removal system, which was installed last year, would be a major factor in the project. In addition, the project is expected to be completed by the end of this month, when the city last week took to the streets to clean up the project.

The street, as now, the project began at the direction of the city's council and federal agencies.

We were happy to see the curbs and sidewalks returning to normal conditions, but the resurfacing of the streets can be a major inconvenience for those who must walk in the street or use the sidewalks.

Shirey said, "I think the people are very excited about the project, and that's why we're doing it. We're trying to get it done as quickly as possible." - Shirey Thomas

Siblings share gift of life

By Sherry Koonce

Siblings share the joy of giving. The Koonce family has been a proud recipient of a kidney transplant, which has changed their lives for the better.

Mr. and Mrs. Koonce have been married for 30 years and have three children. Their daughter, Sherry, was diagnosed with end-stage renal disease at age 18. The family was devastated by the news.

"We thought we would never have another child," said Mrs. Koonce. "But Sherry was so strong. She told us that she didn't want us to have another child until we were ready." - Sherry Koonce

College to study longer class week

Pamela College will study the possibility of adopting a five-day class week. The college has received a $200,000 grant from the state Department of Education to explore the feasibility of longer class weeks.

The college has been leading a study of the effects of longer class weeks on student learning. The grant will be used to fund the study, which is expected to be completed in two years.

"We're excited about the opportunity to explore this issue," said Dr. Margaret Perry, the college's president. "The data we collect will help us make informed decisions about our future course offerings." - Dr. Margaret Perry

Health advisory anticipated on caught fish at Toledo Bend

An advisory not to eat largemouth bass caught at Toledo Bend is expected to be issued this week.

The Texas Department of State Health Services is expected to issue an advisory this week to residents of the Toledo Bend area to avoid eating largemouth bass caught in the lake.

"We have received several reports of fish deaths in the area, and we want to make sure that residents are aware of the potential risk," said Dr. James Anderson, the department's director. - Dr. James Anderson

Fire hydrant construction rights on schedule

Heavy rains have not delayed construction of the city's new fire hydrant, due to be completed at the end of February. City Manager Charles Thomas said most of the work, such as foundation work, had been accomplished and he anticipated the building to be completed just in time for delivery of the city's new 75-foot ladder truck.

Are you likely to be audited by the IRS?

By Deane S. Lowery, CPA

Who's likely to be audited by the IRS? And what can you do to avoid it? This article will help you understand your chances of being audited and how to prepare for such an event.

**Tax aid provided**

Dependent on the circumstances, tax aid may be provided under the public interest category. The IRS may audit a business or individual if it feels there has been a violation of tax laws. However, the IRS is not likely to audit too many businesses or individuals, so you may be audited by the IRS.

**Pups' A falls from foul line**

The Pups fell to Colquitt County in the first game of their season, falling 39-32. The team was led by John Smith with 16 points, followed by Mike Johnson with 14. The Pups are currently preparing for their next game against the Lions.

**Card of Thanks**

We would like to extend our heartfelt thanks to all the students, teachers, and staff who have contributed to the success of our school. Your hard work and dedication have been instrumental in ensuring the best possible education for our students. We appreciate your support and look forward to continuing our journey towards excellence.

**Pups' R team wins at Henderson by 2**

The Pups R team defeated Henderson by 2 points, winning 45-43. The team was led by John Doe with 18 points, followed by Jane Smith with 16. The Pups R are currently preparing for their next game against the Lions R.

**Citizen of the Year**

Send in your nomination now to: P.O. Box 518, Carthage, Texas. The selection committee will make a decision on whether to honor the person. Nominate someone who has made a contribution to the community this year.
