Beckville youth home after scare
Test results show no meningitis

By LAURA NEGRICH

A Beckville teenager has received medical attention as a precautionary measure after being exposed to meningitis. However, tests have shown there is no case of the disease.

According to the victim’s father, the youth was admitted to a local hospital after possible exposure to the disease. However, after testing procedures were completed, the results showed that there was no meningitis.

The victim, a 16-year-old male, was admitted to the hospital in stable condition and was later released. He was taken home to be released to his parents.

There are no other cases of meningitis in the area and the local health department is monitoring the situation.

City considers recycling

By SHERRY ROYCE

The City of Beckville is considering implementing a recycling program in the near future. City officials are looking into the feasibility of setting up a program and are seeking input from residents.

The goal is to increase the recycling rate and reduce the amount of waste sent to the landfill. The city is currently looking into different options for recycling, including curbside collection and drop-off locations.

The city is also considering partnering with local businesses to promote recycling.

The city is expected to make a decision on the recycling program in the next few months. Residents are encouraged to provide feedback on the proposed program through community meetings or by contacting city officials.

PC adopts longer week beginning this autumn

By LAURA NEGRICH

Pack College will begin a longer week starting next month, according to college president Dr. Harold T. Johnson.

The new schedule will feature longer class days and a shorter weekend, with the goal of providing more time for students to study and engage in extracurricular activities.

The change is expected to improve learning outcomes and overall student satisfaction. The new schedule will be implemented in the fall semester.

Weather awareness promoted

By SHERRY ROYCE

The Beckville Police Department is promoting weather awareness among residents. They are encouraging residents to stay informed about weather conditions and take necessary precautions to ensure their safety.

The city is also promoting a “Stay Safe” campaign, which includes tips for staying safe during storms and floods.

Residents are urged to stay informed by checking weather reports and following local news channels.

The campaign is expected to be ongoing, with periodic reminders throughout the year.

Judge credits education with changing life

By LASA MUENI

Junior Justice Christina Wingate's life has been changed for the better since she studied at Panola College. "I first started at Panola College when I was 16 and I had no idea what I was doing," Wingate said. "But now, I'm a different person. I have a better understanding of the world and I'm more confident." Wingate is now a full-time student at Panola College and is working towards a degree in business. She said she feels like Panola College has given her the tools she needs to succeed in life. "I really appreciate the help I've received from Panola College," Wingate said. "The teachers and staff are amazing and they've really helped me get where I am today. I'm really grateful for everything they've done for me."

Dog jvs win two even mark

LONGVARY - Carthage jays varsity lost its first two games of the season in overtime play. Last night the jays played against the Dogjvs in Littell, 11, and took putting on a winning show.

The jays loaned the dogjvs a short time over the back of the courtroom. Carthage scored seven runs to put one run in the back of the dogjvs. The jays loaned the dogjvs a short time over the back of the courtroom.

Carthage finished the game with a win on a game winning run. The dogjvs couldn't keep up with Carthage's defense as Carthage's defense kept the dogjvs from scoring.
