Suspect caught after shooting

The murder is believed to be a result of a dispute between the two men who were high school classmates from the Joes Oak Junior High School in Piketon, Ohio.

Field's men had apparently become enemies and there was a disagreement that occurred two months ago, according to Field's brother, Duane Field, who said they had a run-in two months ago, but it was not resolved.

The victims were found on the side of the road, where they were shot and killed.

On Monday, the Pontiac County Sheriff's Office received a call from a concerned citizen who reported seeing a suspicious individual near the area where the shooting occurred.

The suspect, who was later identified as Thomas M. Smith, was charged with two counts of murder.
