**Lake deep question on agenda for Tuesday**

An answer may be forthcoming soon to the question of whether deepening could be justified in the 200-acre lake at 16th Street and 50th Avenue. Mayor Dowell, the new mayor for the Winter Springs City Commission, said the city was in the process of examining the feasibility of the project. He said he hoped to have an answer within the next few months.

The meeting is scheduled for 7 p.m. on April 11 in the Winter Springs City Commission chambers.

**Commissioners to consider firing workers**

County suspends three for work on driveway

The three employees of the County Road and Bridge Department who were suspended for working on a driveway in violation of county policy have been placed on paid leave pending the outcome of a formal hearing.

One of the three men, Martin Sorensen, was fired last week after he refused to obey an order to stop the work. The other two men, James Johnson and Robert Williams, were suspended without pay but have been allowed to return to work on other projects.

The commissioners have scheduled a meeting to discuss the matter further.

**Water, sewer improvements draw 10 bids**

The city of Winter Springs is receiving 10 bids for the construction of a new water and sewer line. The project will cost approximately $2 million and will be funded by a bond issue.

**Mediation could solve criminal dogwoe**

The city of Winter Springs is considering mediation as a way to resolve the ongoing dispute between the city and the owner of a dog that has been causing problems in the neighborhood.

The dog, a pit bull, has been咬伤 several people in recent weeks and was involved in a recent incident where it injured a child.

The city is looking into the possibility of mediation to avoid the need for costly court proceedings.

**On the other hand, future plans for the lake include a new boat ramp and an expansion of the marina.**

**The park injury suit settled**

The family of a 12-year-old boy who was killed on a playground slide at a park in Winter Springs has settled the lawsuit for $1 million.

The boy, Matthew Johnson, was killed while playing on the slide at the park in January 2000. The suit alleged that the park was not properly maintained and that the boy was not properly supervised.

The settlement was announced today by the boy's attorneys.

Church celebrates anniversary
First Baptist's 137th birthday Sunday

In the spring of 1933,Founded in 1896, First Baptist Church celebrated its 137th birthday. The church was founded by Dr. and Mrs. W. M. Darrough with the vision of fostering a strong community of faith in East Texas. Today, First Baptist Church continues to serve as a beacon of hope and unity in the community.

The church's growth has been marked by significant milestones. In 1933, the church's original building, a simple structure with a capacity of 500, was replaced by a new, larger facility. Over the years, the church has added several additional buildings to accommodate its growing membership.

Financial Services

Do not invest in stocks. The stock market is not a reliable source of income. Consider alternative investments such as bonds, CDs, or mutual funds. Additionally, consult with a financial advisor to determine the best investment strategy for your goals and risk tolerance.

Strength for Living

By JERRY HUNNAM

I have some money to invest in the stock market. Should I invest in the stock market or stick with a traditional savings account?

Would you say that investing in stocks is the same as buying a house?

Ponies move up to third in TEC chase

Ischy hurls four-hitter as PC sweeps Angelina

Mike Ischy threw a no-hitter in the top of the third inning and the Ponies swept Angelina, 2-0, in the afternoon game of the TEC doubleheader Saturday. The Ponies, who were already in the Holiday Bowl, moved to 3-0 in the TEC regular season and are tied for first place with Florien. Angelina, which fell to 0-3, was in the Holiday Bowl.

TEC standings

Ponies' Troy Ischy dominated Angelina on four hits.

Open 17-4A play with worst round yet

Lady Dogs struggle

Carthage Lady Bulldog Austin played a good game in the first half of the 17-4A season, but it was all downhill from there. Although they only scored three runs in the second half of the game, they still had enough to beat the Lady Dogs. The Lady Bulldogs' ability to score more than three runs in the second half of the game was impressive.

East Texas track elite

Painich overcomes three Panola errors to win 4-2

Joey Painich batted the ball of Terrell, Texas, and scored a grand slam in the fifth inning off of Panola pitcher, Baggett. Painich, who had a home run on the day, was the only batter to score more than three runs in the game. Painich's grand slam off of Baggett should have scored two runs, but another error by Baggett gave the Lady Bulldogs three runs to work with.

Carthage boys improve

Carthage boys' Golf Team

Carthage boys' Golf Team had the second round of the District 17-4A tournament on April 11. The team finished with a score of 355. The boys played a good game, with the team scoring 355 on the day. The team finished in second place overall, finishing just behind Carthage boys' Golf Team, who scored 350.
