Highway repairs continue

By LAURA NEGRI
It wasn't like highway repair in Panola County used to be. With weak asphalt, old bridges and in heavy traffic, the roads were a mess. Now, thanks to new technology and better materials, Panola County is making progress in improving its roads. The latest project, a $5 million dollar road improvement project on Texas 235, is expected to be completed by the end of the year.

Construction back on track

By SHERRI R. KONECNE
Construction projects are back on track after being slowed by Spring rains. Work on the bypass project began in March and is expected to be completed by the end of August, according to project manager Bill Greene. "We're running about one month behind schedule because of the rain," he said.

WHAT TO DO WHEN THE LIGHTS GO OUT.

In a power outage, follow these steps:

1. CHECK IT OUT: If you can, use your phone to check all house and neighborhood. If your neighborhood is dark, you may need to join other homes and set up an emergency generator.

2. KEEP SITUATION PHONE: If you know a neighbor who still has power, use them to call you.

3. BORROW FALLEN UTILITY: If you are not in a safe area, call your local utility company.

4. USE APPLIANCES: Turn on lights and fans to keep the power on. If you need to move, use flashlights and batteries.

5. BE PREPARED WITH GENERATORS: If you have a generator, use it wisely and follow instructions.

We Work For You!

Nobody likes it when their lights go out. You don't. We don't. Our job is delivering safe, reliable, low-cost electric service. And that means we work for you.
