Traffic stops net five for possession

By Sherry Koontz

A traffic stop by the Harris County Sheriff's Department late Monday night resulted in the arrest and booking of five men for possession of marijuana.

The incident occurred on Ella Boulevard at Chimney Drive about 10:30 p.m. when a group of deputies noticed a vehicle on Ella Boulevard. The group of deputies followed the vehicle for several miles and stopped it near the intersection of Ella and Chimney.

The five men were taken into custody and booked into the Harris County Jail for possession of marijuana. The men's names were not released.

Fibromyalgia

Fibromyalgia is diagnosed by presence of widespread pain in combination with tenderness at specific locations on the patients, particularly around the neck and shoulders, elbow and knee joints, and lower back.

The presence and pattern of these "tender points" distinguish Fibromyalgia from other "tender points" are determined through a physical examination.

Symptoms of Fibromyalgia include generalized pain, this pain has been described in a variety of forms bursitis, arthritis, fibromyalgia, and irritable bowel syndrome (spastic colon).

Remake the parable for 12/14/95 and change "The Pain Center" to Good Shepherd Medical Center. 

The Pain Center at Good Shepherd Medical Center has the experienced personnel who understand pain and the problems Fibromyalgia can cause at work and at home. Their staff is trained to treat the whole patient and provide comprehensive care. The Pain Center at Good Shepherd Medical Center is a State-of-the-Art Facility.
