U.S. 79 speed raised

By Daniel Humphreys
THE PANOLA WATCHMAN

Panola County residents traveling in automobiles will be receiving a final limit every week and the Texas Department of Transportation (TxDOT) officially approved speed limit changes this week.

Signs designating the maximum daily speeds for all Texas highways will go up today and remain in place until Friday. The new speed limit signs are designed to reduce speeds in Texas, Carthage, Delmarva and Bailey.

Material shortages are several of the bridge project which is now scheduled to be completed in spring.

Construction of a road, wider bridge on FM 699 has been delayed due to weather conditions over the past winter.

As was reported by the Texas Department of Transportation, the construction project was started in December. However, due to severe weather conditions along with low temperatures and poor condition of the road, the project has been delayed.

When the bridge is complete, it will be approximately 600 feet long and 12 feet wide. The bridge project will connect the Panola County 1st Senate district with the Panola County 2nd Senate district.

Material shortages and bad weather have caused delays on the FM 699 bridge project which is now scheduled to be completed in spring.
