Henderson man charged with defrauding city

By Daniel Humphries

TYLER — Wednesday afternoon a federal grand jury returned an indictment against a Henderson man for allegedly defrauding Panola County and one other county in Texas.

The indictment alleges that from mid-2009 to early 2012, the man, identified as John Lee Fannin, Sr., engaged in a scheme to defraud Panola County and another county in Texas.

Fannin is accused of defrauding Panola County by submitting false invoices for materials and services that were never provided.

Panola County commissioners note that the company paid $100,000 to the attorney representing the grand jury.

The indictment further alleges that Fannin defrauded another county in Texas by submitting false invoices for materials and services that were never provided.

The indictment also notes that Fannin was a former employee of the county and that he was terminated in 2012 for cause.

The indictment notes that Fannin was also a former employee of the other county and that he was terminated in 2013 for cause.

Fannin is scheduled to be arraigned in federal court on Aug. 15.

Officers confiscate 25 lbs. of marijuana in two arrests

More than 25 pounds of marijuana and cash to $50,000 in U.S. currency was seized during a traffic stop in the Panola County community of Sabine, according to authorities.

Panola County Sheriff's Office deputies conducted a traffic stop on U.S. 80 about 1 mile east of Sabine on Wednesday afternoon.

Deputies said they found 25 pounds of marijuana and $50,000 in cash during the stop.

The driver, a 28-year-old man from Texas, was arrested on charges of possession of a controlled substance and possession of a firearm by a felon.

The marijuana was seized and the cash was seized under a court order.

Water board may help finance lease lot tax appeal

If a council meeting on April 6 results in a favorable vote to allow the city to finance lease lot tax appeals, it could help the city's financial situation.

The proposed plan would allow the city to borrow money to cover the costs of appealing lease lots that have been assessed too high.

The city's current budget includes a $500,000 reserve for lease lot tax appeals.

It is unclear whether the city will be able to finance lease lot tax appeals in the future due to a higher cost of borrowing.

The New Year Should Start A New Chapter In Our Lives

A brand new year is here at last.
Twelve months that lie Ahead.
Will they be happy or sad?

The future is bright;
Those dreams that you hoped
So follow them and make
The effort to achieve them.

To start with, you must learn to start;
That way you will be able to say when the year
That hope is in the heart.
