"Our goal is to help keep the city clean, and to get people involved in improving their community," said Mary Lou Stout. "There's a lot we can do to improve Gary, but it's up to us to make it happen."

"I've been involved with this group for over a year now, and I've seen a lot of progress," said Elizabeth Jones. "We've cleaned up parks, collected garbage, and even started a community garden."}
