Trooper's shooting victim pleads guilty

By Daniel Humphries

A trooper was arrested for a single gunshot wound fired during an arrest attempt in Trinity County. Trinity County Sheriff's Deputy Rayni Washington had been shot and was later pronounced dead at a hospital. The shooting occurred near the Trinity Medical Center in Jacksonville.

Trinity County Sheriff's Department is conducting an investigation into the shooting. The investigation is being led by the Texas Rangers and the Federal Bureau of Investigation.

Trinity County Sheriff's Department released a statement saying that the investigation is ongoing and that no further details can be released at this time.

County takes tough stance on road sign vandalism problem

CHS student lands academic commission

From a field of three serious candidates, Carthage High School senior Nathan Cook has been selected to serve on the United States House of Representatives Public Information Committee. This is the first time in the history of the Carthage High School that a student has been selected for this position.

Cook will be an active member of the committee and will attend meetings and work on assignments given by the committee members. He will also represent the Carthage High School at congressional hearings and other events.

Cook began his interest in public information while serving as a student government leader at Carthage High School. He is currently a member of the Carthage High School Student Council and is involved in several extracurricular activities.

Cook is a senior at Carthage High School and plans to attend college after graduation. He has been accepted to several universities and is undecided on which one to attend.

EXEMPTIONS REDUCE TAX BILLS

A home owner's principal consideration for an exemption is the person's needs. They may be in the form of money or time. The property tax is a major part of the cost of living in a home and the cost of the tax bill can be reduced by an exemption. For example, a homeowner who can reasonably provide for their own needs can apply for an exemption. The amount of the exemption is determined by the assessment and the value of the property.

Enclave for Dogs

Enclave for Dogs, a new facility for boarding, grooming and training dogs, will open in April. The facility will provide a safe and comfortable environment for dogs, with professional staff and state-of-the-art equipment. For more information, call 555-1234.

Ponies save best for last to beat Angelina

By BERNIE WILLMS

Ponies coach Don Claxton gives Brian Lawrence a high-five after beating Angelina.

The Ponies' last three games were against some of the toughest competition in the district, and they came out on top each time. In fact, they wrapped up the regular season with a 12-0 win against the Eagles. It was a great way to end the season, as the Ponies went on to win the District 15-4A title.

b) Ponies end season with a win over Angelina.

Ponies coach Don Claxton gives Brian Lawrence a high-five after beating Angelina.

The Ponies' last three games were against some of the toughest competition in the district, and they came out on top each time. In fact, they wrapped up the regular season with a 12-0 win against the Eagles. It was a great way to end the season, as the Ponies went on to win the District 15-4A title.
Dear Residents of Carthage and Panola County:

On Friday April 26, fire caused major damage to our Carthage Store. We are both fortunate and thankful to God that no one was injured and what was damaged can be replaced.

Over twenty-five years ago, we built this store, our first lumber and home improvement center, in Carthage on a dream and a prayer not knowing what the future would be. Had it not been for you, Cassity Jones, Incorporated would not be where it is today. We greatly appreciate your support in the past and would ask that you continue to ask your patience and understanding of our employees and our company as we pick ourselves up and build back the service level you deserve and have come to expect.

We would like to thank all of the people listed below for their help and assistance.

We would especially like to thank Chief Brodie Akins, the Carthage Volunteer Fire Department, and the community for its vision in seeing a definite need in getting a ladder truck. There is no doubt in my mind had they not had the ladder truck that not only would our building have been lost, but also existing businesses and homes. Our hats off to you and your department for a job well done!

Sincerely,

Cassity Jones
Special Thanks To:

Cassity Jones

### Questions about your cellular service?

Remember the phone is a special kind of person. Someone who’s devoted to customers and loves a good cup of coffee. That’s kind of man and women you’ll talk to at 360 Communications.

People who can give you fast accurate answers to questions about cellular service. In addition to that, there’s our local customer service reps. They know your coverage area like the backs of their hands because that’s where they live, too. Time, many of our customers get to be pretty good friends with their service reps. And who can blame them? Our take-you-by-the-hand style of service is just one of the many ways that 360 Communications revolves around you. Shall we put on another pot of coffee? To learn our nearest location, please dial toll-free 1-888-CALL-360.

### After Today, the Forests of East Texas Will Never Be the Same.

The forest products industry of East Texas is changing the way we do business.

Today, with about 250 other companies across the United States, we've launched a bold new program. We call it Sustainable Forestry Initiative (SFI) for short. SFI is a comprehensive third-party certification program designed to ensure that the timber harvested in East Texas is responsibly managed.

This initiative requires forest product companies belonging to the American Forest and Paper Association to:

- Reforest every acre harvested.
- Protect wildlife, lakes, and streams.
- Enrich the diversity of plant and animal life.
- Safeguard forests of special ecological value.
- Submit an annual report to an independent review.

There are just a few of the many important features of SFI in East Texas. Stay tuned for more details on what's happening. And thanks for everyone who's been doing our environment and the world a service through your company's report, with people from the U.S. Forest Service, the Conservation Fund, and other independent experts examining our progress.
