Troopers make 2 pot busts

By Tuesday, deputies had uncovered about 60 pounds of marijuana from two separate locations in southwestern Webber County. The bust was the result of a drug traffic study conducted by the state police. The drugs were worth about $22,000 and were seized from a vehicle and a house. The arrest was made after a search of the home. The arresting officer said the drugs were a direct result of a tip from a concerned citizen. The suspect was charged with possession of marijuana and was taken into custody. The investigation is ongoing.

Beckville, Gary TAAS scores show mixed results

Results from the Texas Assessment of Academic Skills (TAS) test were released this week. The tests are the same for both Beckville and Carthage schools.

Children in grades three through eighth in both schools took the exam. About 12,000 sixth-graders took the exam and about 9,000 seventh-graders took the exam. The exams are given once a year, and the students are ranked based on their scores. All students taking the exam will be ranked, and this ranking system will be used to determine the quality of the program.

Michael G. Fink, 35, of Turkey Creek, Pa., was arrested and charged with child endangerment of minors. The incident occurred on April 15, when the two were shooting at a target with a BB gun. The boy, aged 12, was hit in the head with the BB. The boy was taken to the hospital and is recovering.

**PLEASE GOD**

A long time ago, a man and his son were walking into town with their donkey to buy provisions. They passed many strangers on the road and one of them remarked how kind both the father and son were to walk when one could ride on the donkey. The son got on the donkey and before long they passed some other strangers as the donkey stumbled and nearly fell. The donkey made a sudden movement to throw the man off. The man grabbed the donkey's mane to save himself and the donkey stumbled and fell. The man was hurt. After the donkey got up, he went on. After a while, the man finally got up and walked. The man remarked how he was glad he had got off the donkey because the donkey was not feeling well.

And then I said, Oh that I had wings like a dove! For then I would fly away, and be at rest. Psalm 55:6

**Great men and women of the Bible had their Godly temperaments that they believed in. They didn’t try to please men, for they knew to please all men is impossible; they tried to please God.**

When a man’s ways please the Lord, His wrath shall be at peace with him. Proverbs 16:7

The offense, defense take leave at crunch time in 5-0 loss

LUPPO – Canton coach Danny Hines believes on any given day his team can beat anybody. With a solid defense and a balanced offense, the Lions feel they can win at least a share of the District 10-5A title.

"The Lord is my shepherd, I shall not want." Psalm 23:1

"The Lions made three more scores and one kick in the first half. Their offense clicked and their defense was solid. The defense took a solid 17-0 lead over the Indians at the half."

"We need to keep improving our offense, defense, and special teams," Coach Hines said. "We have a lot of work to do before the season is over.""
BHS seniors receive scholarships, awards

Beckville High School seniors received scholarships in Friday, May 13, during a ceremony and five college-proposed scholarships and awards to twenty-four seniors.

Andrea Adams received support from Paris College, James E. Hays, and C. W. Pena, and Casady, Schaller-AHills CFA. Jake Baker was given a scholarship by an anonymous benefactor. Landon Davis proposed support from Bethany University, James McCoy in memory of Henry R. Lynn, and Christ College. Cassie Corder was awarded support for Christ College, and the McNeil Scholarship Fund. Paris College was awarded a donation from the Hays Family Foundation, Bethany University, and Christ College.

Billie Coleman was awarded support from the McNeil Scholarship Fund, Paris College, and College City. Christ College was awarded a scholarship from the Coleman Family. Christ College awarded a scholarship from an anonymous donor; kni

Dr. Hill to speak at Diabetic Awareness banquet

The Diabetic Awareness of the Chamber Annual Banquet will be held on June 27 at 5:30 p.m. at the Beckville Baptist Church.

The keynote speaker will be Dr. Roy Hall, who is a professor of family medicine at the University of Lakehead. His address will be on the topic of diabetes and its treatment.

The banquet will feature a keynote address, dinner, and a silent auction to raise funds for the Diabetic Awareness Program.

The event is open to the public, and tickets can be purchased in advance or at the door.

Dr. Hall is expected to discuss the latest research on diabetes, the importance of early diagnosis and treatment, and the role of lifestyle changes in managing the disease.
