Blair released Friday from Smith Co. jail on PR bond

A former Panola County TIP Accountant pleaded not guilty and was released from the Smith County Detention Center Friday afternoon after posting a $2,500 bond on a securities fraud charge.

Wayne Blair, 51, of Carthage, was charged with conspiracy to defraud investors and securities fraud in connection with 700,000 shares of Panola County Emergency Management Corporation stock.

Blair was arrested along with others following a federal investigation involving a time period between August 30, 2004, and August 30, 2005.

The indictment charges that Blair conspired with others to contact investors with false and misleading statements.

Blair was released on a $2,500 bond as the county's attorney general denies that Blair will affect any of the new bonds.

City manager recovering from wreck

City Manager Charles Morris Caragher was involved in a one-vehicle accident Saturday evening along 460-540 Highway.

The accident occurred at 6:32 p.m. when Caragher, who was driving a pickup truck, ran off the road and into a ditch.

He was transported to East Texas Medical Center in Longview.

The increase will be used to fund a new jail, a new courthouse, a new police station and other projects.

According to the county's attorney general, Blair will affect none of the new bonds.

Jv's hope to extend streak to two Thursday

When you have been out to 3-0 in your league, it's hard to imagine how you could lose. That was the case for Carthage's junior varsity football team last Thursday night. After losing to Diboll and then McNease, the Dogs faced the next challenge of extending their streak to two games.

The Dogs faced the 2A Dogs of Central Heights at home. The first half went smoothly for Carthage, with a 7-0 lead at halftime. The second half was relatively quiet, with the score remaining 7-0 until the final whistle.

In the end, the Dogs fell to the Central Heights defense by a score of 7-0. Despite the loss, the team remained determined to extend their winning streak.
