NOTICE TO PUBLIC OF NO SIGNIFICANT IMPACT ON THE ENVIRONMENT AND NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS
City of Cartage
P.O. Box 420
Cartage, Texas 75533

to all interested agencies, groups and persons

Seventeen (17) days after this publication the City of Cartage intends to request the Texas Department of Housing and Community Affairs to release Federal funds under Title I of the Housing and Community Development Act of 1980 (PL 96-234) to be used for the following project. A notice of approximately 13,130 square feet of land has been filed with the City of Cartage through the Texas Community Development Program Pioneering No. 714149.

The City To be located in the city limits of Cartage, Texas. More detailed description of the project and the specific location of the proposed improvements are available for public examination at City Hall, 401 West St. Paul.

Finding of No Significant Impact
It has been determined that the project for release of funds will not constitute an action significantly affecting the quality of the human environment and accordingly the above mentioned City of Cartage has decided not to prepare an Environmental Impact Statement under the National Environmental Policy Act of 1969 (PL 91-190). The reason for such a decision not to prepare such a statement is based upon the fact that the environmental concern could either be minimized or eliminated.

An Environmental Impact Report for the proposed project has been made by the City of Cartage which documents the environmental review of the project and serves as an important part of the decision whether such statement is not required. This Environmental Impact Report is on file at the above address and is available for public examination and copying upon request to the office of the Mayor between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday.

Public Comments of Finding
All interested agencies, groups and persons disagreeing with this decision are invited to submit written comments for consideration by the City to the address set forth above. Such written comments must be received at the address specified within fifteen (15) days after this publication. All such comments received will be considered and the City will not request the release of funds or take any administrative action on the project prior to the date specified in the preceding notice.

Release of Funds
The City of Cartage will undertake the project described above with Community Development Block Grant funds under Title I since its program year 1990 under grant number is 714149 from the Housing and Community Development Act of 1974. The City of Cartage is certifying to TDHCA that Carter C. Johnson, in his official capacity as Mayor, certifies to accept the jurisdiction of the Federal Grants if an action is brought to enforce responsibilities in relation to environmental reviews, decision making and action and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval, the City of Cartage may receive the Block Grants and it will have satisfied its responsibilities under the National Environmental Policy Act of 1969. TDHCA will consider any objections to its approval only on one or more of the bases and the procedures described in 24 CFR Part 57.3. Objections to be addressed to Texas Community Development Program, Texas Department of Housing and Community Affairs, P.O. Box 1584, Austin, Texas 78762.

Objections to the release of funds or bases other than those stated above will not be considered by TDHCA. No objections received later than thirty-three (33) days after this publication will be considered by TDHCA.

The Chief Executive Officer of the City of Cartage is Carter Thomas.
