Carthage loses squeaker to Kilgore, 21-20

KILGORE — Kilgore's punter missed a field goal in a game for the first time in six years, but the Wildcats still managed to edge Carthage, 21-20, in a Red Zone battle.

Friday night's game was a defensive struggle, with both teams keeping the score low. Carthage had the ball first and moved to the Kilgore 39-yard line, but a punt was blocked. The Kilgore defense then took over and forced a Carthage punt. The ball was fumbled and recovered by the Wildcats, but Kilgore was unable to capitalize on the turnover.

Carthage then took over on their own 34-yard line and moved into the Kilgore territory. However, a punt was blocked and Kilgore took over at the Carthage 17-yard line. The Wildcats then scored on a 15-yard run by quarterback Tim Smith to take a 7-0 lead.

Carthage responded with a touchdown drive, but Kilgore forced a punt and the Wildcats scored on a 65-yard touchdown run by running back Timmy Jones to take a 14-0 lead.

Carthage scored again to cut the lead to 14-7, but Kilgore's defense held the visiting team scoreless in the second half. The Wildcats then added a touchdown in the third quarter to take a 21-7 lead.

Carthage fought back in the fourth quarter, scoring two touchdowns in the final minutes to tie the game at 21.

But Kilgore's defense stepped up and forced a turnover on downs, sealing the victory and handing Carthage their second straight loss.

Under the circumstances, it was a hard-fought win for the Wildcats, who had to come from behind to secure the victory after giving up an early lead.

The Kilgore defense showed its strength, led by Timmy Jones, who had 100 yards rushing and 2 touchdowns. Kilgore moved the ball well on the ground and the defense was able to stop Carthage on both sides of the ball.

The Kilgore offense was led by quarterback Tim Smith, who threw for 2 touchdowns and 200 yards. The Wildcats' running game was also strong, with Timmy Jones leading the way with 100 yards and 2 touchdowns.

Carthage, on the other hand, had a tough time putting together a consistent offense. The visiting team's defense was able to keep the Wildcats off the scoreboard for most of the game, but Kilgore's offense was just too much for Carthage to handle.

The loss drops Carthage to 0-2 on the season and sets up a tough game for the Wildcats in the district opener next week.

REMEmBER THOSE GooD OLD DAYS.

We can all look back on the past and probably remember the “good old days.” Reflecting on our past helps us to become a better person when dealing with the future. As we think of past experiences or events, we usually remember more good things than bad about the past. For example, a person may remember the joy of hearing her baby’s first cry more than the travail of childbirth. Or, the war veteran who talks about the good old days in the armed forces and neglects to mention the hardships. I believe this is God’s way of helping us to cope with life. God wants us to be fulfilled and content in life, and not dwelling on unpleasant memories helps us to achieve this. An old person may lose some of his short-term memory, but can usually still talk about those good old days fifty years ago. God loves and cares for us, and we should remember that today may be our “good old days” in the future.

I remember the days gone by; I think about all that you have done, I bring to mind all your deeds.
