Ag committee splits from chamber

Pepin County Agricultural Commission Chairman Jim Allen announced this week the organization has taken a step to split from the newly formed county chamber of commerce and affiliates with another agricultural commission.

Hospital administrators seek ways to pay almost $400,000 in delinquent accounts

In a joint meeting Thursday, Pepin County Commission Chairman Bob Allen announced the need to find ways to pay more than a half-million dollars in delinquent accounts.

Although all of the accounts have been marked as non-payable, the administrators consider the money as recoverable.

The money in question is owed to the hospital by the Veterans Administration.

As far as the county has been able to determine, the county has been paying for services that were not rendered.

After announcing the organization was being formed with the county commission, the new commission placed a temporary

4th Grade "Trinity Renaissance" Open House

The Trinity Renaissance will be held Thursday, January 16th from 6-8 pm. All parents and students are welcome to attend this open house to learn more about the program and its offerings. Trinity Renaissance provides a unique educational experience that combines academic excellence with a strong commitment to extracurricular activities.

Superintendent’s contract on agenda for GSD Board of Trustees meeting

The GSD Board of Trustees will meet on January 14th to discuss the superintendent’s contract. The board will also consider other items on their agenda, including the adoption of a new district budget. This meeting is open to the public and will be held at the district office.

CISD warns area merchants of solicitors’ misrepresentation

Area merchants should be aware that they are not required to make purchases from solicitors unless they have an existing business relationship with the solicitor. CISD has received complaints from several merchants who were approached by solicitors who misrepresented themselves as representatives of the district. It is important for merchants to verify the identity of any solicitors before making a purchase.

Class of ‘87 plans reunion

The Class of ‘87 at CISD High School is planning a reunion for the class reunion. The event will be held on Saturday, February 25th at the school. All Class of ‘87 graduates are encouraged to attend.

Annual Camp Fire candy sale to begin

The annual Camp Fire candy sale will begin soon. The sale is a fundraiser for the Camp Fire, a well-known organization that provides education and support to individuals affected by cancer. The sale will be held at various locations throughout the district, and orders can be placed online.

Keychain Touchpads

Wireless keychain touchpads, like the Touchpad, are great for on-the-go users. The Touchpad is a small, lightweight device that can be attached to your keychain. It features a touchpad that allows you to navigate your device without having to hold it in your hand. The Touchpad is also water-resistant and shock-proof, making it ideal for outdoor use. Additionally, the Touchpad comes with a lanyard for easy attachment to your keychain or backpack.

Get Your Taxes Done In A Snap

Our experienced professionals will help you navigate the complex tax system and ensure that you receive the maximum benefits.

SPINAL COLUMN

By Dr. Joel Hill, Chiropractor

The spinal column is a vital part of the human body, providing support and protection for the spinal cord. It consists of 33 bones, including the vertebrae, which are interconnected by ligaments and discs. Proper care and maintenance of the spinal column are essential for overall health and well-being.

The Lucas Family

The Lucas Family is a family of four, consisting of two parents and two children. They recently moved to the area and are looking for a pediatrician for their children. They are interested in finding a doctor who can provide comprehensive care for their family's health needs.

Panola suffers second TEAC loss
Fillies can't match up with powerful Kilgore

Leading 11-10 after the first period, the Fillies couldn't maintain their lead, falling to the Bulldogs by a final score of 64-52.

The Lady Bulldogs were led in scoring by Celine Miller with 12 points. She was supported by teammates almond and Naomie Miller, who added 11 and 10 points respectively. For the Fillies, Jessica Thomas had a double-double with 20 points and 10 rebounds. She was the only Panola player in double figures.

In the second half, Kilgore pulled away, outscoring the Fillies 54-40.

Panola girls' basketball will play their next game at home against Christoval on February 10th. Kilgore will continue their road trip to Midlothian on the same night.

---

Ponies 0-5 in Texas Eastern Conference
Panola puts up good battle but Kilgore prevails, 82-64

Panola's defense was no match for the offensive prowess of the Kilgore Ponies, who scored 50 points in the first half alone.

Panola was led by Jordan Taylor with 18 points, while Kilgore was led by Alex Miller with 32 points. The Ponies were unable to keep up with the high-scoring Ponies, falling by a final score of 82-64.

Panola will face off against another powerful team next week, as they travel to Kerens to take on the Kerens Knights. The Ponies hope to bounce back with a strong performance against the Knights.

---

Elysian Fields girls perfect atop district after big win

Elysian Fields girls basketball team capped off their season with a perfect record of 18-0 in District 2-2A play.

The Lady Dukes defeated their closest rival, Wills Point, 63-47, to seal their championship. Elysian Fields was led by sophomore Madison Johnson with 21 points.

The Lady Dukes will now advance to the regional tournament, where they hope to continue their winning streak.

---

Industry Week planned at high school

Industry Week is set to take place next week, with a variety of activities planned for students to experience the world of work.

Local businesses will visit the school to give presentations on various industries, and students will have the opportunity to visit local businesses to learn more about the world of work.

The week will culminate with a Career Fair on Friday, where students will have the chance to interact with industry professionals and learn about different career paths.
