Congratulations to all Participants in the Panola County Junior Livestock Show!

Spring is here: summer's on the way. It's time to be outdoors, and the kids will be out of school. Here's a little advice for all ages for a safe and fun time outdoors:

1. Don't climb trees near power lines or raise a ladder or other equipment without first looking up.
2. Make sure to fly kites in wide open spaces far away from power lines.
3. Look up before you plant a tree, and "SEE" if it's safe before you "SAW" it down.

And remember, "high efficiency heat pumps" save you money!
