**Police capture vending machine thief in the act**

JUNE 18 hearing date set for Nixon

An Austin Municipal Judge has set a June 18 hearing for James A. Nixon, who has been charged with tampering with a voting machine.

Nixon was arrested in March and booked into the Panola County Jail on charges of criminal mischief.

**Ministerial Alliance Easter prayer service scheduled for Sunday**

Pandemic has made it impossible to meet in person, so the service will be live-streamed.

**New truck to help clogged sewer lines**

This week new equipment has been added to the fleet of vehicles that clean the streets in Cartersville, Georgia. The new truck is a vacuum trailer that uses a powerful suction system to remove debris and sediment from the pipes. The truck is equipped with a large hopper that can hold up to 3,000 pounds of debris. The hopper is emptied into a collection truck, which is then emptied into a waste disposal area. The vacuum system is also used to clean gutters and other areas that are hard to reach with traditional methods.

**Arrangements made for the annual Easter Sunrise Service**

The annual Easter Sunrise Service will be held at dawn on Easter Sunday, April 17, at the Church of the Holy Cross in Cartersville. The service will begin at 6:00 a.m. and will include a reading of the Easter Gospel, followed by a brief message. The service will be led by the Reverend Dr. John Lee, pastor of the church. The service is free and open to the public. The church is located at 123 Main Street in Cartersville. For more information, call the church at 770-823-5555.

Three enter pleas in county court

Two women and a man pleaded guilty in County District Court to charges of violating the County Code, Section 22-901, which prohibits the sale of liquor on Sunday. The women, who were arrested last week in an investigation by the county alcohol control board, were fined $50 each. The man, who was also arrested in the same investigation, was fined $100.

**Note:**

Students at Liberty andCatbago Primary spend the end of last week and the beginning of this week preparing for the upcoming school year. The students are enthusiastic about the new year and the possibilities it brings.

Two students, John and Sarah, have been particularly active in the preparation process. They have been regularly attending after-school study sessions and have been actively participating in various extracurricular activities. Their dedication and hard work have been recognized and appreciated by their teachers and classmates.

HOW MUCH ELECTRICITY MUST YOU USE TO BENEFIT FROM COMPETITION? LET'S SEE... EVER TURN A LIGHT ON?

The fact is, whether you're a small residential customer or a big industrial purchaser, you'll benefit from competition in the Texas market, which is made possible by the Texas Consumer Power Act of 1997. An important element of this act is deregulation, which means you could choose who you buy power from.

Folks here spend roughly $200 a year, that's the average electric bill in the U.S. Competition could save you as much as $22 every time you turn a light on, you could benefit. A typical residential customer could save as much as $22 a month.

But it's only possible if you have a choice. The only way you'll have a choice is if our legislators pass the Texas Consumer Protection Act. To find out more about how you can benefit from competition in the electric market, call 1-888-55-ENRON.

ISN'T IT TIME PEOPLE HAD A CHOICE?

Natural gas. Electricity. Endless Possibilities.
