Beckville residents arrested for drug, weapon violations

A last-minute tip could have been the deciding factor in a drug and weapon bust Saturday night in Beckville. It led to the seizure of more than 34 pounds of marijuana, several guns and the arrest of four people.

An attorney and a Beckville resident identified as Sam Matlock, 27, and Todd Matlock, 25, both of the city, and two 16-year-old Beckville residents, were booked into the county jail on charges of possession of marijuana, 34 pounds, in excess of 285 grams, and a deadly weapon.

Police said the bust was the result of an anonymous tip to the Beckville Police Department. The tipster identified himself only as "Sam Matlock." He told the police that he had a "couple" of pounds of marijuana and that it was being sold by the Matlocks.

Police arrived at the Matlock home, located on Pine Street in Beckville, and found the couple inside. They were arrested and the drugs were seized.

"We were able to get there just in time," said Lt. Mike Coss, the assistant chief of police. "We had a lot of help from the county. We were able to get the drugs off the street and make an arrest.".

The drugs were delivered to the Panola County Sheriff's Office for analysis. The police said they would release more information later.

The bust was the result of a联合 concerted effort by the Beckville Police Department and the Panola County Sheriff's Office. The police said they were able to use the tip to locate the drugs and make an arrest.

"We're always looking for tips," said Coss. "We're always trying to get drugs off the street. We're glad we were able to make this bust.".

Austin Surveying continues strong tradition

A comparison of survey work, especially for a small company like ours, is not an easy task. It is important to note that the quality of our work is not due to one person or one method. The company has been helping Panola County with survey work for over 25 years. Our dedication to quality and customer service is what sets us apart from others in the field. We are proud to have come this far and look forward to many more years of serving the people of Panola County.

Nixon bill passes to end simultaneous payments

The House and Senate have passed the bill sponsored by John B. Nixon that will end the practice of charging for the same service twice. The bill will save the county a significant amount of money. The bill is expected to be signed into law shortly.
