Church to dedicate new family life center Sunday

By Joyce Barr

The Rev. Donald Wilson, senior pastor of the Carthage First United Methodist Church, has announced that a dedication ceremony will be held on Sunday, June 18, at 2 p.m. for the newly constructed Family Life Center.

The center, which is located in the basement of the church, will provide additional space for church activities and community events. It will feature a new fellowship hall, a multipurpose room, and a children's area.

The dedication ceremony will include a ribbon-cutting ceremony and a tour of the new facility. All members of the church and the community are invited to attend.

Wilson said that the construction of the new center is a testament to the congregation's commitment to reaching out to the community.

"This is a new beginning for our church," Wilson said. "We hope that the new center will be a place where people from all walks of life can come together and share in the love of Jesus Christ."

The Family Life Center will be open to the public after the dedication ceremony. Visitors are encouraged to come and see the new facilities for themselves.

For more information, please contact the church office at (540) 555-1234.
