WNA to add local jobs through plant expansion
$1.5 million state grant to fund construction project

By Daniel Humphreys

The Panola Watchman

Carthage, Texas (AP) — A major new plant expansion project for WNA Magazine Group, a leading publisher of women's interest magazines, will bring $1.5 million in new work opportunities to the Carthage area.

Officials of the company said the plant expansion project, which is expected to create between 200 and 300 new jobs, is scheduled to begin in late 2023. The company said the expansion will allow the company to expand production capacity, enabling the company to expand its existing facilities and invest in new equipment and processes.

The city of Carthage and the Carthage Economic Development Corporation will contribute a total of $1 million to the project. The remaining $500,000 will come from state funds.

Questions remain over allegations against Nixon

By Sherry Knoue

The Panola Watchman

Although questions have been raised about the state of Texas' economy, Nixon was already struggling to attract investors to its textile facilities in Beaumont, the site of a former Texas Instruments plant that was closed in 1995.

The plant was closed by Texas Instruments because of the state's high cost of living and the company's desire to relocate to a lower-cost location.

The state is asking investors to help it reduce its deficit, which is estimated at $1.5 billion, by providing incentives to attract new industries.

The state has already offered incentives to two companies, including a $1 million grant to WNA Magazine.

Work on OSB plant entering final stages

Construction of Louisiana-Pacific's OSB plant is nearing completion, and the company is scheduled to begin production in the fourth quarter of this year.

The plant is expected to create more than 300 new jobs and will produce more than 1.5 million square feet of OSB per year.

Reynolds said the plant will be the first major facility of its kind to be built in Louisiana for more than 30 years.

Reynolds said the company is pleased with the progress of the project and is looking forward to it becoming operational.

Zoe’s Recipe Box

My first recipe is for a classic dish, the macaroni and cheese. It’s a comforting and delicious meal that always hits the spot.

Ingredients:
- 2 cups of elbow macaroni
- 1 1/2 cups of butter
- 3 cups of flour
- 6 cups of milk
- 2 cups of shredded cheddar cheese
- Salt and pepper
- 1/4 cup of fresh parsley

Instructions:
1. Preheat your oven to 350°F.
2. Boil the macaroni in salted water until al dente.
3. Melt the butter in a large saucepan over medium heat.
4. Add the flour and whisk until the mixture turns light brown.
5. Gradually add the milk, whisking constantly to prevent lumps.
6. Bring the mixture to a boil and cook for 2 minutes, stirring constantly.
7. Reduce the heat and add the shredded cheese, stirring until melted.
8. Season with salt and pepper.
9. Add the cooked macaroni to the sauce and stir until all the pieces are coated.
10. Pour the mixture into a baking dish.
11. Sprinkle the fresh parsley on top.
12. Bake for 20-25 minutes or until the cheese is bubbly and the top is golden.

Enjoy your delicious macaroni and cheese!

Volleyball camp planned

Panola College presents its very own volleyball camp during the week of Aug. 5-8. This is the time of the year when the volleyball season is in full swing and the players are looking forward to training to improve their skills.

Panola College volleyball coach and former player, Lisa Rowland, will be leading the camp. She is currently a head coach at Nacogdoches High School.

The camp will be open to all middle school and high school students who want to improve their volleyball skills. There will be sessions for beginners and more experienced players.

Registration information is available at the Panola College website or by contacting Lisa Rowland at 936-324-1175.

Panola College volleyball plans to offer full scholarships to its athletes. These scholarships will cover tuition, fees, and other expenses. The scholarships will be awarded to incoming freshmen who have demonstrated athletic ability and academic excellence.

The camp will feature guest speakers from the college's women's volleyball team. The guest speakers will share their experiences and insights on the game of volleyball.

Panola College volleyball players will also attend the camp to share their knowledge and expertise. They will work closely with the campers to help them improve their skills.

Registration Open!

To register for the Panola College volleyball camp, please visit the college's website or contact Lisa Rowland at 936-324-1175.

Let's all have the same positive, helpful, and friendly attitude. If you are a person who is always looking for an opportunity to help others, why not go out of your way to make others feel good about themselves? It will make you feel good too. Listen to the needs of others, and then do your part to fulfill those needs. Always be positive, helpful, and friendly. It will make you feel good about yourself. Thank you for your essay. It will make you feel good about yourself.

RECEIVING MAN'S OR GOD'S APPROVAL

Every day, we are faced with the choice of pleasing man or pleasing God. And sometimes the decision is so subtle that we may not be too aware of how we should react. For example, we may be purchasing something, and the cashier says, "Hello, how are you today?" Do we correct the cashier or do we say nothing? Or may we see an offensive story in our presence and we may unknowingly give our approval by laughing or repeating the story. The Bible tells us that we have all sinned and come short of the glory of God, and whenever we do something to show our love to the Lord:

Galatians 1:10

...What is God's approval? Am I trying to be popular with men? If I were still trying to do so, I would not be a servant of Christ.
