Notice of Public Hearing on Tax Increase

The CARLISLE ISD will hold a public hearing on a proposal to increase local tax revenues from properties on the tax roll in 1996 by 15.30 percent. Your individual tax rates may increase at a greater or lesser rate, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property.

The public hearing will be held on MONDAY, SEPTEMBER 1, 1997 at 8:00 PM at CARLISLE ISD ADMINISTRATION BUILDING.

FOR the proposal: MR. WARREN ROGGS SR. CHARLES HOLMES MRS. SALLIE UPSEY MR. TRUMAN HEMERY

AGAINST the proposal: REY HUBERT O'BRYEN

The statement above shows the percentage increase of the proposed rate represents more than the effective tax rate that the unit published on AUGUST 17, 1997. The following table compares taxes on an average home in this taxing unit last year to the proposed taxes on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

<table>
<thead>
<tr>
<th>Tax Type</th>
<th>Last Year</th>
<th>This Year</th>
</tr>
</thead>
<tbody>
<tr>
<td>General Sales</td>
<td>$31,440</td>
<td>$32,000</td>
</tr>
<tr>
<td>Homestead Exemption</td>
<td>$20,504</td>
<td>$21,000</td>
</tr>
<tr>
<td>Average Tax Rate</td>
<td>$1.50</td>
<td>$1.60</td>
</tr>
<tr>
<td>Tax Rate per $100</td>
<td>$307.56</td>
<td>$315.00</td>
</tr>
</tbody>
</table>

Under this proposal taxes on the average home would decrease by $375.96 per year. Comparing tax rates without adjusting for changes in property value, the tax rate would decrease by $0.85 per $100 of taxable value or 0.67 percent compared to last year’s rate. The current tax rate figures are not adjusted for changes in the taxable value of property.
