Judge to weigh Nixon's sentence

By Sherry Koonce
THE PANOLA WATCHMAN

Foreman Senator Dave Nixon is scheduled for official sentencing today and hearing an ape can be heard in the Panola County Courthouse on Main Street.

Some.foreman lawmakers are voicing concern over the delay in the sentencing of Nixon, who is facing up to 30 years in prison for his role in the Watergate affair.

Nixon is scheduled to be sentenced today at 9 a.m. in the courtroom of Judge John A. McCall Jr. The sentencing hearing will be closed to the public.

The hearing will take place in the same courtroom where Nixon was arraigned in 1972.

Some lawmakers are concerned that the delay in sentencing could be seen as a deliberate attempt to avoid accountability for Nixon's actions.

"I think it's important that we have a public airing of the facts and the evidence against Nixon," said one lawmaker. "This delay is简直就是 attempting to avoid responsibility for his actions."

Senator Nixon is facing charges of obstruction of justice, conspiracy, and bribery.

With the sentencing of Nixon coming up, lawmakers are preparing for a potential appeal if he is sentenced to prison.

"We're all hoping for a fair and just sentencing," said another lawmaker. "But if he's sentenced to prison, we're prepared to fight any appeal."

Davis disappointed in JV performance

Signs, Signs, necessary to know what you are doing.

Davis is disappointed with his team's performance in the junior varsity game. He said, "We had a lot of turnovers and we didn't play well defensively. We need to work on these problems."
Dogs' freshmen greatly improved now

East Chicago, Ind. (AP)—Earl Heffern and Dennis Whitney are among those two freshmen running back for the East Chicago Central football team. Heffern and Whitney have made some noticeable improvements, according to Coach Bill Taylor, who said the two freshmen have earned the starting jobs.

"Earl Heffern and Dennis Whitney have both shown great potential," Taylor said. "They have worked hard in the off-season and have really improved their game. They have a lot of ability and will continue to improve as the season progresses." Heffern and Whitney are both 6'2" and 220 pounds, with Heffern being faster and Whitney having more strength.

The team's overall improvement is being attributed to the work of the freshmen, along with the experience of the returning veterans. East Chicago Central is currently 3-1 in the conference after an impressive 35-7 victory over Hammond in their last game.
