The PANOLA watchman

These children and two adults were Könitz were shoplifting for the day, Wednesday for presents of the nascent Christmas season.

Route officers were called to a store on Wednesday afternoon. When the officers arrived, the two adults were arrested. The children were released.

approximately $500.

Witnesses who saw the accident said that the collision occurred when an older model Mercury Marquis hit a parked Ford for one mile west of Harrison. The accident occurred on the small town's main street, Fourth Avenue.

Ohio, and approximately 30 minutes southwest of Harrison. The accident site was two miles west of the intersection of Fourth Avenue and Fifth Street. The accident occurred on the narrow road.

The accident occurred on the narrow road.

Firefighters, paramedics, and police officers arrived at the scene within minutes of the collision. The driver of the Ford was transported to the hospital in a private ambulance. The driver of the Mercury was treated at the scene for minor injuries.

Two children riding with Logan, including the driver, were also treated for minor injuries.

Carthage firefighters Dennis Lassiter lines concedes five-year-old Angela Martin after the child's moth- er was taken by ambulance to Panola General Hospital.

CISD to cast votes for appraisal district board

CISD independent school district board members are scheduled to meet Tuesday to cast their votes for the CISD appraisal district board. The current board consists of five members, and the new board will consist of seven members.

Other taking retail, including HEB and T.J. Maxx, are not included in the vote. The current board consists of seven members, and the new board will consist of nine members.

According to the CISD Superintendent, there are 12,000 students enrolled in the district, and the current board members are a mix of young and elderly members. The new board will be a mix of young and elderly members.

Auto benchmark drops

Auto drivers should begin lowering their rates now as the nation struggles to emerge from the pandemic. Insurance companies are starting to lower rates for drivers who have not had an accident in the past year.

The benchmark for bodily injury liability coverage is expected to drop by 10 percent. This is a good sign for drivers who have not had an accident in the past year.
