**SALT talks must consider Backfire**

There was a time not so long ago that the American public didn't have to worry too much about the idea of a "Backfire" in the context of SALT negotiations. But now that the SALT talks have been restarted, it's important for negotiators to consider the effects of such a weapon on disarmament efforts.

**You and your money**

As the cost of living continues to rise, it's crucial for individuals to manage their finances wisely. This column offers tips on budgeting, saving, and investing to help readers maintain their financial stability.

**Wheeling away stress, and fat**

Lack of exercise can lead to stress and weight gain. This article explores the benefits of regular physical activity and provides tips on incorporating exercise into daily routines.

April 6

PTA carnival set

April 6 issues in the form of the Associates in Child Development sell will be a large leap of the PTA Carnival. The PTA Carnival is set for April 6 in the form of the Associates in Child Development sell will be the best attendance of the year. The carnival will feature a variety of games, exhibitions, and prizes. However, the PTA is concerned about the potential for increased traffic and parking congestion. Some PTA members have suggested moving the carnival to a different location, but the decision has not been made yet.
