CHS student wins science prize with chemical preservative study

Renee Adams, a senior at Carthage High School, was recently awarded a science prize for her work on a chemical preservative. Adams, who is studying chemistry, conducted an experiment to determine the effectiveness of a new preservative for extending the shelf life of food products. Her research was presented at a national science fair and earned her a prize.

Tape recorder can help teach child family history

A tape recorder can be a valuable tool for helping children learn about their family history. By recording interviews with family members, children can hear stories and legends that have been passed down through generations. This can help them develop a sense of their own heritage and identity.

Cemetery association will meet

The Carthage Cemetery Association will hold its monthly meeting on the second Tuesday of each month. The meeting is open to the public and provides an opportunity for community members to discuss issues related to the maintenance and management of the cemetery.

Who says you can't compare funeral prices?

Life shouldn't end when its time to talk about funeral planning. It's important to plan ahead and make sure you know what your options are. By comparing prices and services, you can make sure you get the best deal and feel comfortable with your decision.

**Ponies ink Bailey**

The 2019 Minden star player has committed to Ponola. The basketball player, who is expected to make a significant impact on the Ponola Ponies, has signed his letter of intent to play for the college.

Bobcats dominate tennis

**Four Bulldogs qualify for regional track meet**

The Spanish Lake Bulldogs have qualified four athletes for the regional track meet. This is a significant accomplishment for the team, as they have been working hard throughout the season to improve their skills.

**Dogs lose game, find pitcher**

The Ponola Ponies lost a game recently, but they found a new pitcher to replace the injured one. The team is looking forward to the next game and the opportunity to prove their skills.

**Turner girls take third**

The Turner Lady Devils took third place in their recent competition. This is a great result for the team, and they are looking forward to the next game.

**B'ville tickets on sale**

Tickets for the B'ville game are now on sale. The game is expected to be a great opportunity for the team to showcase their skills and make a name for themselves in the league.
Nichols plays lead in PJC production

Nichols Facility for Gifted Children in Carthage has been selected as the location for the first spring production at the state-run school. The production, titled "Nichols Plays Lead in PJC Production," will be held on April 13th. The play tells the story of the lead character, Nichols, who is a gifted child with exceptional abilities.

More people dying on ETex highways

According to recent statistics, more people are dying on highways in the East Texas region. The increase in fatalities is attributed to a number of factors, including increased traffic volume and more aggressive driving behaviors. Efforts are being made to address this issue through increased enforcement and public awareness campaigns.

Haley appointed to subcommittee

State Representative Haley has been appointed to a new subcommittee focusing on education policy. This appointment comes as the legislature works to address concerns about the quality of education in the state.

CHS dramatists to present play

The Carthage High School drama club will present a new play titled "A Night at the Theater." The play is a humorous look at the world of theater and the challenges faced by actors and directors.
