This limited edition of East Texas prints

Sam Rayburn Lake, Texas State Retired, Nacogdoches Place, Crenshaw, Kihpape Creek, Hwy. 494, Mexia

Every year, we remember our early years spent here in San Antonio in the 1950s. Now we are enjoying the East Texas atmosphere. And for the past six weeks, we have been following the events in St. Regis newspaper. It is important to deliver the newspapers on time even during storms, so we asked for help from all those who work for us.

Just as in these historical places, we try to do our best in helping to conserve the water and all that surrounds them.

By popular demand
Since we began the newspaper deliveries, we've received numerous requests for copies of the St. Regis newspaper.

So it is with pleasure that we now offer this limited edition of Bob Dale prints to those who ask for them. Each print comes with free shipping, and the cost is for postage and handling.

About the artist
Bob Dale is nationally recognized as one of Texas' most gifted illustrators. He works for the San Antonio Express News, his works being in many museums and private collections in America and Europe. We are proud to have him as an artist, and his works are on display at the Nacogdoches Convention and Visitors Bureau.

Here's how to get your free set of East Texas prints.
To receive the entire set of six Bob Dale prints, fill out the coupon below and send it to us (along with $1.00 to cover handling and postage). Allow two weeks for delivery. A limited number of prints are available. Please, just one set of prints per household.
