Sunday School Lesson

Responding to God's call

Background: Jeremiah (Chapters 1-2)

Weekly Scripture: "For I know the plans I have for you," says the Lord. "Plans to prosper you and not to harm you, plans to give you hope and a future." - Jeremiah 29:11

How to respond:

1. Consider your circumstances. Think about the good and the bad in your life. What are the highs and lows? How do these experiences shape your perspective?

2. Reflect on your responses. Ask yourself: How have you responded to these situations in the past? What are your typical reactions or responses?

3. Pray for guidance. Talk to God about your situation and ask for wisdom and guidance. What should you do next?

4. Take action. Based on your prayer and reflection, take the appropriate steps to address the situation. What can you do to improve your situation or respond positively to the circumstances?

5. Share your experiences. Reflect on how you have responded to similar situations in the past. What have you learned from those experiences? How can you apply those lessons to your current situation?
