"Senior Citizens '79"

In 1978, senior citizens from Panola were invited to a party at the Panola Country Club. However, since then, the group has had a hard time finding another gathering place. At the last party, the group had a hard time finding a good location. At the last party, the group had a hard time finding a good location.

Region VII will honor local men

While still in high school, Robert Roy Oliver was a local legend. He worked in the Panola plant and was a member of the Central High School Football Team. He was also a member of the Central High School Basketball Team.

Chrysler bailout

Chrysler Corp. Chairman Lee Iacocca in 1980 put the company in bankruptcy, but the company's bankruptcy was not the end of Chrysler's troubles. The company's financial problems continued, and the company was eventually bought by Daimler-Benz of Germany. The Chrysler bailout was a major event in the history of the American automobile industry.

Memo for Metropolitan Melvin

If you and your money

The word "metropolitan" is often used to describe a large city or urban area. However, the term is sometimes applied to a smaller area as well. For example, a metropolitan area might include a city and its surrounding towns and suburbs.
