THIS WEEK’S
Sunday School Lesson

Why nations crumble

Background Scripture: 1 Kings 11:1; 2 Kings 23:24

Nations are often characterized by their military strength, economic prowess, and cultural influence. However, when these nations crumble, it is often due to internal factors such as corruption, greed, and a lack of moral integrity. The Bible provides examples of nations that have prospered and then declined as a result of these internal weaknesses. Similarly, the Church must be cautious not to become so focused on worldly success that it loses its spiritual foundation. The Church must maintain a strong commitment to the teachings of Christ and the values of the Christian faith. This commitment is essential for the Church to remain strong and vibrant, even in the face of challenges and adversity.

Attend the Church of Your Choice

The Light

Why not consider attending the Church of your choice? Many churches offer unique services and programs designed to meet the needs of their members. By attending the Church of your choice, you can find a community that resonates with your values and beliefs. It is important to remember that the Church is a place where individuals can come together to worship, grow, and serve one another. By attending the Church of your choice, you can find a supportive community that helps you to grow in your faith and live a fulfilling life.

Evening registration set for Panola Junior College

The registration office at Panola Junior College will begin accepting evening students on Monday, August 27. The office will be open from 5:30 p.m. to 7:00 p.m. on Mondays, Wednesdays, and Fridays. Students are encouraged to bring their registration materials to the office to avoid long lines. In addition to the evening registration, the college will also offer a variety of online classes for students who cannot attend in-person classes. These classes provide a flexible schedule that allows students to balance their academic and personal commitments.

First Things First

A DEVOTIONAL

The Bible tells us that the first thing we should do in the morning is to pray to God. This practice helps us to center our day on the priorities of our faith. By beginning our day with prayer, we can set our hearts and minds on the things that are important to God. This practice also helps us to maintain a sense of gratitude and appreciation for the blessings in our lives. As we go about our day, we can continue to pray for guidance and wisdom, knowing that God is always with us.

Miss Sheila Hicks is complimented

Sheila Hicks, Miss, an honor student at Frank Profitt High School, was recently complimented on her accomplishments in scholarship and service at a special banquet held recently at the home of Miss Billie G. Davis, owner of the Mayfield Hotel. Miss Hicks is a junior at the school, and is a member of the National Honor Society and the Citizens’ Club. She is also a member of the orchestra and the drama club. Miss Davis expressed her appreciation for Miss Hicks’ contributions to the school and the community, and presented her with a certificate of recognition. Miss Hicks, who is planning to attend college, expressed her gratitude for the honor and the encouragement to continue her studies and her involvement in community activities. She also thanked her parents, Mr. and Mrs. J.W. Hicks, for their support and encouragement. The event was attended by faculty members, fellow students, and friends of the school.
Our steaks are famous for their great taste. All our WD Brand Sirloins have to be U.S. Choice, naturally aged and naturally tender. We make sure they're closer trimmed of excess bone and fat before they're weighed and sold so every WD Brand Sirloin you buy is the best. That's our tradition, and we've never settled for less.
