For loop around town
Carrigade wants
better markings

Carriage City
Councilman A. D. Smith is
now working on the
problems of loop
markings around town.

"It seems like the
loops are always
missing," he says.
"We need to do
something about it.",

Smith feels that
the markings could
be improved by
adding more
numbers and
lines.

"I think we need
to make them
more visible,
"he says. "People
are having a hard
time finding the
loops.",

The councilman
will bring up the
issue at the next
meeting.
