Renewing an old relation

The era of the Cold War has ended, and it's time to look forward to a new era of cooperation between the United States and the Soviet Union. This is not just a matter of mutual interest, but also a matter of principle. The Cold War was a time when the two superpowers were engaged in a constant struggle for dominance, and this struggle led to a number of conflicts and wars around the world. It is time to put this behind us and move forward to a new era of cooperation.

The year is 1913 and a new Bell telephone begins ringing throughout the land. Ah, those were the days...

Now you can recall those days with Southwestern Bell's new 'Country Jingle' telephone — a happy blend of yesterday's spirit with today's technology.

An older folk were not so popular, a more stylish one, the Country Jingle phone is a classic that blends with period settings and makes an impressive statement with the crisp, cool looks of contemporary decor.

No matter where the phone is placed — kitchen, office, bedroom — the Country Jingle's sound is clear and pleasant. The phone is ideal for adding a touch of individuality to any room.

The phone is available at your local wholesaler, or you can order it by phone through the Bell System. The phone costs $99.95. It's a value that's sure to please.

In a busy, bustling world, the Country Jingle phone offers a welcome break from the monotony of everyday life. In fact, many people find that conversations begin with the phone's tone.

Ladies don't call your neighborhood Phone Center Store.
