COMPETENCE QUESTIONED IN PARKER MURDER CASE

In the ongoing investigation of the murder of a popular high school student, the police have come under increasing scrutiny. The victim, who was found dead in his home, was known for his academic achievements and was expected to excel in his future career.

The police department has been criticized for its handling of the case, with some calling for a change in leadership. The chief of police, however, maintains that the investigation is progressing and that the public should have patience.

College offers country western dance classes

A local college has announced a new dance program that will feature country western music. The classes are open to all students and are expected to attract a large number of participants.

Owner of burned car identified

The owner of a car that was burned in an overnight fire has been identified. The incident is being investigated as a possible arson, and authorities are seeking information from the public.

Why starve our libraries?

By Ann Katchen

Why should Texas be starving its public libraries? We in Texas pay taxes for our libraries and yet the state is withholding funds from the library system. The federal government is cutting funds to the library system, the state government is cutting funds to the library system, and the local governments are cutting funds to the library system. This is a nationwide problem and it needs to be addressed.

Tax cut plan makes sense

By John P. Xavier

The revised tax cut plan appears to make sense. The cuts would benefit the average person and help to stimulate the economy. The plan is not perfect, but it is a step in the right direction.

Kennedy already running

By George Washington

Kennedy has already started running for president. He is the only candidate with a chance of winning.

Letters

Marshall's World

Dear Editor:

I am writing to express my concern about the current state of our libraries. It is sad to see that the state is cutting funds to the library system.

Sincerely,

Reader

CFD keeps totals down

The Community Foundation of Dallas (CFD) has kept its totals down by following some guidelines. CFD has found that by following these guidelines, it is able to keep its totals down and still provide financial assistance to those in need.

Mystical beauties win contest

A group of ecstatic young women from Carthage, New York, were the winners of the annual Mystical Beauty Contest. The contest, held in the company of the local beauty queens, was a highlight of the city's annual festival. The winners were chosen based on their beauty, talent, and personality. The event was accompanied by live music and dancing, providing an enjoyable atmosphere for all attendees.

Transfer date slated May 1

The transfer date for the new Carthage High School is scheduled for May 1. The school is currently under construction and is expected to be completed in time for the fall semester. The new facility will greatly enhance the educational opportunities available to the local community.

Sports Watch

Ponies sweep twin bill from Angelina Tuesday

The Carthage High School baseball team swept a double-header against Angelina on Tuesday. The Ponies secured a convincing victory in the first game, followed by an equally impressive win in the second. The team's performance was a testament to their hard work and dedication.

Lady Bulldogs finish second in District 8-AAAAA track meet

The Carthage High School track team finished second in the District 8-AAAAA track meet. The team recorded several impressive performances, with several athletes setting personal records. The team's success was a source of pride for the school.

Carthage baseball team splits pair in first week of district competition

The Carthage High School baseball team started the district competition with a split against rival teams. The team showed resilience and determination throughout both games, with several key performances contributing to their success.

Taxpayers' rights defended

The defense of taxpayers' rights was a major topic of discussion in the community. Local leaders emphasized the importance of protecting the interests of the community, and the need for transparency and accountability in decision-making processes.
