Pennzoil plans $60 million project

Pennzoil Co., in common with many other major companies, has announced plans to build a new refinery in the Houston area. The project will involve construction of a million-gallon-per-day distillation tower and associated facilities. The plant is expected to be completed by 1960.

Heritage Society is proceeding with building purchase

The Heritage Society of Panola County is proceeding with the purchase of the old courthouse building. The building, which was constructed in 1888, is located at the corner of Main and Liberty streets in Carthage. The Heritage Society plans to restore the building to its original condition.

Pharmacy burglarized Saturday

Key Street Pharmacy was burglarized Saturday night. The thief forced his way into the store through the front window and made off with an unknown amount of money.

Floor covering tips

**Designers aid homemakers**

If you want a decorator look for your home, you have a number of options to choose from. There are many new types of floor covering available in the market now. If you are interested in carpet, you can choose from several types, including berber, saxony, and twist. Each type has its own advantages and disadvantages, so it is important to choose the one that best suits your needs and budget.

**QUESTIONS AND ANSWERS**

**What is the best time to use electricity?**

The best time to use electricity is during off-peak periods, typically from 10 p.m. to 6 a.m. during weekdays. This is when demand for electricity is lower and utilities can supply more power at a lower cost. Using electricity during these times can help reduce energy costs and strain on the power grid.
