Bulldogs bury San Augustine 49-0

By RICHARD CONRAD

Weekness Sport Editor

San Augustine continued to play with that
type of fighting spirit that they have been
exhibiting all season long. But they faced
for the first time the combined forces of
eight players who had played high school
football before.

San Augustine's defense was too tough for
the Bulldogs to overcome. Their offense
was held in check by the Bulldogs' strong
defense.

The Bulldogs were led by quarterback
Donnie Johnson, who threw three
interceptions in the game.

San Augustine's defense was led by
safety Dave Williams, who had an
interception and a fumble recovery in the
game.

Templeton's punishment not severe enough

By RICHARD CONRAD

Weekness Sports Editor

Browning through an old copy of the Sporting News he could see the other side of the story. Templeton had received a punishment that was too severe.

The story goes that Templeton had received a punishment that was too severe. He had been assigned to a task that was not in line with his abilities and that caused him to be punished excessively.

In his story, Templeton related how his punishment had been too severe.

He said: "I was given a punishment that was too severe." He added: "I was given a punishment that was too severe."

Who is at the Helm?
Who pilots the ship? Can a ship be safely carried out to sea without a captain to control it? Who is it that, in the storm of life, stands at the helm and is willing to guide us to the haven of salvation? The answer is clear. He is the Master. He is the one who is able to control the storms and the waves. He is the one who is able to guide us to the haven of salvation. Let us turn to Him for guidance and direction. He is the one who will guide us through the storms, and lead us to the haven of salvation.
