'The new' news vs. 'old'

By Vic Parker

There's a lot of talk out there today about the future of news. Some people are saying that the local newspaper is dying, while others believe it's here to stay. But what really matters is whether or not the news we're reading today is relevant to our lives.

That's where the Watchman Opinion Forum comes in. We're committed to providing you with news that is both important and interesting. Whether it's local events, national issues, or international news, we strive to bring you the stories that matter most.

So whether you're a seasoned reader or just starting to explore the world of news, please join us as we continue to bring you the best in local and national news coverage.

There are always a few things that still get up and say at dawn, but they don't start in time to be there when the first sunrises. There are those who have good reasons to go to the Lady Bulldogs. Following behind the Lady Bulldogs, there is a good team with a few good players. They are two of the top teams in the state. They are the ones who have been making headlines and who have been winning games. They are the ones who have been playing well. They are the ones who have been making the headlines.

In the game of football, there is no substitute for hard work and determination. The Lady Bulldogs put in the time and effort to prepare for each game. They are a team that is determined to win. They are a team that is prepared to do whatever it takes to get the job done.

It's a long road ahead, and it's a long road ahead for the Lady Bulldogs. They have a lot of work to do, and they have a lot of games to play. They are a team that is determined to win. They are a team that is prepared to do whatever it takes to get the job done.

The Lady Bulldogs have a lot of work to do, and they have a lot of games to play. They are a team that is determined to win. They are a team that is prepared to do whatever it takes to get the job done.
Rewards of effort are sometimes overlooked

By Vic Parker

There are the conquerors of the ocean. Women have done it before. There have been, and there will be, more. But what about the many who work to make it possible? The stewards of the sea, the men and women who do the work that makes it all possible.

These are the people who make it happen. They are the ones who put in the hours, who endure the hardships, who never give up. They are the ones who make it possible for those who come after them.

To be a winner, one must persevere, sacrifice, suffer, and make determination the bottom line.

Power of mind

Background information: Pages 1-2

Key theme: Power of the mind.

This week's lesson focuses on the power of the mind. We are all capable of achieving great things, but it takes determination, focus, and strength of will to reach our goals.

Fitness Over 40' course due

The increasing number of people over 40 participating in fitness activities poses unique challenges. Physical activity, even in small doses, can significantly improve health and well-being.

Know Your Heritage

By KELLA LACROSE
Community News, Jerseytown 1954

I am writing to tell you that I have a new appreciation for the people who lived in the area before me. I recently visited the local history museum and was amazed at the stories and artifacts on display. The people who lived here have a rich history that we should all be proud of. I encourage everyone to take the time to learn about their own heritage. It's a wonderful way to connect with our past and appreciate the present.

This Week

Saturday, March 11
The Carthage Chamber will hold its annual meeting at 2 p.m. in the Chamber office. All interested persons are invited to attend and bring their ideas for the coming year.

Monday, March 13
Mr. and Mrs. Frank Smith will host a reception for the Tea Party members at their home. The event will feature a tour of their historic home and a talk on the history of Carthage.

Tuesday, March 14
The Carthage High School will present its annual talent show at 7 p.m. in the school auditorium. Admission is free and refreshments will be served.

Wednesday, March 15
The Carthage Optimist Club will hold its monthly meeting at 7 p.m. in the Community Center. All members are welcome to attend.

Thursday, March 16
The Carthage Junior Chamber of Commerce will host a networking event at 5 p.m. in the Chamber office. This is a great opportunity to meet other young professionals in the area.

Friday, March 17
The Carthage Historical Society will hold its annual dinner at 6 p.m. in the Chamber office. The event will feature a talk by a local expert on Carthage history. Tickets are $20 and can be purchased at the door.

A Panola Watchman exclusive

Here's an opportunity to show our Carthage High School girls basketball team how proud we all are of their fine performance this year. Wear that pride wherever you go by making your own T-shirt using the transfer below. Just follow the directions. Then, wear your T-shirt with pride.

Instructions:
- Be sure to use permanent press material made of 90 percent cotton and 10 percent polyester. 80 percent cotton materials are not suitable for repeated washing.

1. Place the protective cover on the shirt and then place a sheet of paper on top of the cover. Lay the ironing board on a flat surface and place the sheet of paper on top of the ironing board. Place the T-shirt on the ironing board and center the cover over the T-shirt. Secure the cover to the shirt with a pin or staple in the center of the cover.

2. Place the protective cover over the print and then place the ironing board cover over the print. Place the ironing board cover and the ironing board on a flat surface. Place the ironing board cover over the ironing board and center the protective cover over the print. Secure the protective cover to the ironing board with a pin or staple in the center of the protective cover.

3. Slip the T-shirt over the ironing board so that the front or back is directly over the protective cover.

4. Cut out the decal and place it face down on the area of the T-shirt's lower back to decorate. Pin the iron on the protective cover to the shirt so it will not slide off your iron.

5. Set your iron to the "medium" and allow it to heat to the proper temperature. Use a dry iron, not steam. When the iron is hot, iron it evenly over the area of the decal, using firm pressure for one minute. Allow the outer edge of the area of the decal to cool, then insert the protective cover in the T-shirt. Each decal will not work. Quick, easy, easy movements will blur the picture; the decal letters will come off easily.

6. Allow the item to be worn and used after at least one minute before removing patterns. Caution: If you have large, white, or black letters, be sure to press the shirt under the decal letters. Be sure to press the shirt under the decal letters.

We give $5 for this award. That adds up to a lot!
