REAL WINNERS

By Vic Ross Parker

Real winners are those who make a difference in the lives of others. They are not always the ones who win the awards or the ones who are the most famous. Real winners are the people who go out of their way to help others, who volunteer their time and effort to make a positive impact on the world.

First Things First
A DEVOTIONAL

Introduction

The purpose of this devotional is to encourage readers to make a commitment to putting God first in their lives. It is a time to reflect on the importance of our relationship with God and to renew our commitment to living a life that honors Him.

Difficulties with Bingo

Where?

The author of this article discusses the challenges of playing bingo, particularly when the numbers are not drawn in a way that makes it easy to win. The author suggests that sometimes the game can be overwhelming and frustrating, but it can also be a fun and relaxing way to spend time with friends and family.

At The Courthouse
Panola numbers impress commission

A 144-member delegation of Panola County residents was instrumental in bringing the PANOLA county commissioners to the PANOLA State Capitol for a meeting to discuss the county's budget. The commission was impressed by the number of people who showed up, and said they were pleased to see such a strong showing of community support. The meeting was held in the Panola County Courthouse, with representatives from the local government, businesses, and residents in attendance. The commission praised the local residents for their dedication and hard work in supporting the county, and expressed their commitment to working with them to improve the quality of life in Panola County.

CISD approves teacher pay hikes

The CISD Board of Education recently approved a 5% pay increase for all teachers, in line with the statewide pay raise for educators. This decision was made in response to the ongoing teacher shortage in the district, and the board felt it was important to ensure that Panola County residents had access to high-quality education. The district will implement the pay hike in the upcoming school year, and the teachers are expected to receive their increased salaries by the beginning of the new academic year.

Deadlines near

For tax exemptions...

The deadline for filing tax exemptions is fast approaching, and residents are encouraged to submit their applications as soon as possible. The deadline is May 1st, and those who file after this date may not be eligible for a partial exemption. The tax exemptions are available to property owners who meet certain criteria, including owning a home in Panola County and being a senior citizen or a disabled veteran. The application process is straightforward, and residents are recommended to seek assistance from the Panola County Treasurer's office if they have any questions.

Bids taken on water line

Panola County is currently accepting bids for the construction of a new water line. The project is aimed at providing better water service to residents in the area, and the bids are due on May 15th. The county has set aside funds for this project, and residents are encouraged to submit their bids if they are interested in working on this job. The project is expected to take several months to complete, and the county is committed to ensuring that the work is done to the highest standards of quality.
