Happy Fourth of July
Linda bound for pageant

Linda Davis, the four-year-old daughter of Gary and Geneva Davis of Waggoner, is bound for a crown in the State of Texas Miss Junior Texas pageant.

Davis will be at the state competition July 21 in Austin, where 50 contestants from across Texas will compete for Miss Junior Texas Crown.

Davis was crowned as the 1987-88 Junior Miss of Pegues. In the state miss competition, she will participate in essay, interview, talent and fashion show. "She has been preparing for months," said Gary Davis.

Gary ISD taxes decrease

The (Gary) ISD board of trustees has voted to reduce the tax rate for the 1987-88 school year by $.03 per $100 of assessed valuation. The new rate is $1.45 per $100 of assessed valuation, down from $1.48 obtained in the current year. The decrease is due to the lowest valuation in five years.

School officials said the district will have to cut its personnel and services next year as a result of the tax cut. Gary ISD has 2277 students and a school budget of $1.5 million for 1987-88.

The Carthage Sawyers have yet to lose this season, and the Sawyers have a four-game winning streak as they head to a game against the Marlin Eagles. The Sawyers have been playing well, but the Eagles are not to be taken lightly. The Eagles have a strong offense and a solid defense, and they have been playing well in recent games.

While both teams are looking to win, the Sawyers are particularly focused on this game. Their coach, Coach Smith, has been emphasizing the importance of winning the game, and the team has been preparing for it thoroughly. The players have been working hard in practice, and they are confident in their abilities.

Keller is new chief in Tatum

As of June 1, the Tatum Police Department welcomed a new chief, Robert Keller. The transition was marked by the departure of the long-serving Chief Richard Thompson, who retired after 26 years of service. Keller has been with the department for 13 years, having begun his career as a patrol officer in 2008. His promotions have included roles as patrol lieutenant and assistant chief. Prior to joining Tatum, Keller served in the Carthage Police Department, where he was a detective. He is a member of the East Texas Law Enforcement Council and the Texas Peace Officer's Association. Keller replaces Thompson, who was with the Tatum Police Department for 30 years, and is a retired police chief in the Longview area. The department is marked by its commitment to community service and is always ready to serve. Keller, Thompson, and the entire Tatum Police Department are dedicated to ensuring the safety and well-being of the community.

Four compete in 4-H show

The annual 4-H show was held recently, with four competitors vying for the top honors. The competition was fierce, with each contestant putting their best effort into their presentations. The judges were impressed with the quality of the work, and the event was a great success. The winners were announced, and the community was proud of their accomplishments. The event is a testament to the hard work and dedication of the 4-H members, and it is always a highlight of the year.

The Declaration of Independence

In Virginia, July 4, 1776, the Continental Congress declared the thirteen American colonies free and independent states. This day is celebrated as Independence Day. It is a day of national celebration and a reminder of our country's history and values. The Declaration of Independence is a testament to our nation's commitment to freedom and democracy. It is a day to remember and to honor our forefathers who fought for our rights and freedoms.

Changes told in school system

There have been some changes in the school system recently, with the appointment of a new superintendent. The new superintendent is committed to improving the quality of education and ensuring that every student has the opportunity to succeed. The changes are a part of the district's ongoing efforts to improve the school system and provide the best education possible for all students. The community is excited to see the progress and is looking forward to the future of the school system.

Sealing is key to canning

Canning is a popular method of preserving vegetables and fruits for the winter months. To ensure the preservation process is effective, it is important to seal the jars properly. Here are some tips for successful canning:

1. Make sure the jars are clean and dry before filling them. Any residual moisture can affect the preservation process.
2. Use fresh, ripe produce for canning. Old or damaged produce can result in poor-quality canned goods.
3. Fill the jars to the appropriate level, leaving enough headspace for the liquid to form a seal.
4. Use a canning funnel to prevent splashing and spills. This helps maintain the cleanliness of the canning environment.
5. Make sure the canning jars are warm when you fill them. Cold jars can affect the sealing process.

Many people enjoy canning their own vegetables and fruits for use throughout the winter months. To learn more about canning, visit your local extension office or search online for canning tips and recipes.
