Eagles pound out 10 hits in 7-1 win

DeSoto ousts Carthage from playoffs

By THE LEADER Sports Writer

DeSoto's 7-1 victory over Carthage in the second round of the playoffs last week was a huge win for DeSoto. The Eagles were able to demonstrate their offensive prowess and defensive strength against Carthage, the team they were matched up against in the second round.

The Eagles took the lead in the first inning with a pair of runs. They continued to build on their lead in the second inning, scoring five runs. Carthage was able to score a run in the third inning, but the Eagles responded with two runs in the fourth inning to put the game out of reach.

The Eagles' success was due in part to their strong offensive performance. They were able to hit the ball well and take advantage of their opportunities, scoring runs on singles, doubles, and triples. The Eagles' defense was also strong, limiting Carthage to only one run.

DeSoto is now advancing to the third round of the playoffs and will face a tough opponent in their next game. The Eagles will have to rely on their strong offensive and defensive performances to succeed.
