Long Branch Post Office:

Local postal patrons say allegations wrong, vow to fight "every step of the way".

The Long Branch Post Office will be closed for at least two years, with the current Post Office located in a new facility on Long Branch Avenue. The new facility will be located at the intersection of Long Branch Avenue and Main Street.

The United States Postal Service announced the closure of the Long Branch Post Office on June 1, 2023. The new facility will be located at 123 Main Street, Long Branch.

Community Post Office closure eyed by officials

Surveyors from the U.S. Postal Service are expected to begin working in the area next week. The new facility will be located at the intersection of Long Branch Avenue and Main Street.

The surveyors will be working on Long Branch Avenue, which runs along the coast from Long Branch to Sea Bright.

Investigation continues

High speed chase results in two hospitalized Monday; one critical

A high speed chase Monday ended in a vehicle crash that sent two people to the hospital in critical condition. The crash occurred on Route 18, just north of the intersection with Long Branch Avenue.

The driver of the vehicle was arrested at the scene and charged with reckless driving and endangering the welfare of a child.

Commodity distribution held

The New Jersey Agricultural Extension Service is holding a commodity distribution event at the Freehold Raceway Mall on Thursday, July 1.

The event will run from 9 a.m. to 1 p.m. and will feature a variety of fresh produce, such as lettuce and tomatoes. The event is free and open to the public.

Long Branch Police Department

The Long Branch Police Department has been asked to investigate the incident.

New state laws signed

Governor Phil Murphy has signed a number of new state laws that are expected to have a positive impact on the community. The new laws include measures to improve public safety, increase access to healthcare, and provide greater support for seniors.

Bealls

Bealls Department Store

333 Main Street, Sea Bright

Newspaper Morrisian received 50 bushels of lettuce from the Sea Bright Community Garden, which is located in the former site of the Sea Bright Post Office.

Another give-away planned

The Paperboy Service will give away 500 books during the month of July. The books will be distributed at local schools.

Pre-registration scheduled for PJC summer II session

Pre-registration for the second summer session at PJC is now open. According to Dean of Admissions, 500 students have already registered.

Monday's Paperboy Service

The Paperboy Service will be giving away 500 books during the month of July.

Austin Highlights

Officials split good news and bad news following recent adjournment of Texas Legislature

Texas Press Association Alumnus - The Austin-Statesman's John Motz was named to the Texas Press Association's board of directors, representing the state's 20 largest daily newspapers. The appointment is for a two-year term.

Texas A&M, new faculty - Texas A&M University has announced the appointment of two new faculty members in its College of Agriculture and Life Sciences.

Good News, East Texas - Officials reported that construction is proceeding smoothly on the new East Texas Baptist University campus.

Lconed Press Package - The governor signed into law a bill that would provide tax incentives for new press packages.

Search for arsonist begins

As the search for the person or persons responsible for the recent series of fires continues, authorities are offering a reward for information leading to the arrest and conviction of the suspect.

There will be a meeting of the Board of Directors at 8:00 a.m. Thursday, June 23, in the Boardroom of the hotel. The meeting will be preceded by a breakfast for the Board members and the hotel's executive staff.

For Those Who Hear The Words, But Can't Understand The Conversation...

Don't miss this opportunity to attend our Special Consultation. This is your chance to have your hearing scientifically measured without cost or obligation.

Hearing Management Inc. have joined the services of Roger Cullum, Specialist in Nervous deafness. Mr. Cullum, for several years has been associated with the Hearing Health Institute. He will explain to you why no two people have exactly the same hearing loss. And the advantage of the tiny-in-the-ear aid in coping with hearing loss.

In Addition There Will Be An Exciting Demonstration of the All-In-The-Ear Hearing Instrument so tiny it is barely visible to the eye. Yet this small unit packs up to 60% of the hearing range into two miniature aids with specially designed circuits for hearing through background noise. Our best is a totally custom built to fit comfortably with none of the usual uniglobe tubes or cords. For more information call: (214) 753-0147

Firemen’s action credited
Downtown warehouse gutted by flames; businesses threatened

By Earl Chesher
Carthage Volunteer Firemen responded to a reported fire in a three-story building at 130 West Bird Street, Carthage. Flames and smoke were seen billowing from the warehouse, which houses several businesses.

As the fire raged, firefighters battled the blaze to save the integrity of the building, which is home to several businesses. Firefighters worked tirelessly to contain the flames and prevent further damage to the structure.

Businesses threatened

Homerakers tour riverboat

Once known as the Cotton Belt, the boat was named for the cotton grown in the area. It was the first boat to be used for passenger service on the Red River. In April 1930, the boat was sold to a Mississippi company and was renamed the Mississippi Belle. The boat was sold again in 1948 and was used as a restaurant and entertainment venue. It was restored in the 1980s and is now a popular tourist attraction.

Chase leads to arrest

Ricky McElroy, 35, of 100 Evergreen, was arrested by Fort Worth Police on Thursday for suspicion of pot possession.

Two men arrested on drug charges

Panola County Sheriff's Office made two arrests on drug charges in what the department called a 'large-scale investigation.' The two men were identified as Henry Johnson and James Brown. Both men were charged with possession of a controlled substance and were booked into the Panola County Jail.

Local man creates new karate form

Sen. Gramm to speak to Long Branch citizens

Recently, Sen. Phil Gramm visited Long Branch to speak to citizens about the state of the economy and the importance of increasing the minimum wage. Gramm is a strong advocate for free markets and has been a vocal critic of government intervention in the economy.

County auditor says hospital funding at 'the end of the road'

Panola Hospital Board hears management recommendations

The Panola Hospital Board held a meeting to discuss management recommendations presented by the hospital's current manager. The board is considering hiring a new manager to oversee the hospital's operations.
