Baptist rout Quality Fence

Take elimination match, 15-0

In the match with Ollahoma, ABC was without several of its usual players because of school and other commitments and Quality Fence was without 11-year-old Andy Eno, who had two broken fingers. The match was played with two goals each, with Quality Fence winning 11-7 in the final score. Baptist's 15-0 win was the result of goals scored by Andre Thompson, Terry Smith, Mike Wilson, and John Smith. Quality Fence's goals were scored by Barry Thompson and Andy Eno.

Peaceful in the 10th and 11th and 12th and 13th and 14th and 15th, but in the 16th and 17th, Quality Fence, who had not played well in previous matches, scored three goals to make the final score 15-12.

In the second half, Quality Fence was forced to use two substitute players, who did not have the same level of experience as the regular players. This led to a decline in their performance, which was reflected in their inability to prevent the Baptist team from scoring. With the final score of 15-12, Baptist emerged as the clear winner, demonstrating their superior technical skills and tactical awareness.

Baptist's victory was undoubtedly a testament to their hard work and dedication, as well as their ability to maintain a high level of performance throughout the game. Their ability to adapt to changing circumstances and overcome challenges is a key factor in their success.
