The voting took place in Gyms 1 and 2 at the San Antonio Metropolitan Transit Authority campus, which is the site of the renewed bond election.

The election results will be reported by the United States Supreme Court, which will review the case to determine the validity of the election.

For the next two years, the weights officer will serve a full term of office, and then they will be eligible for reappointment. 

In addition to the new weights officer, the county has also appointed a new weights officer for the Old Timers Rodeo Association, who will serve a four-year term.

The new weights officer for the Old Timers Rodeo Association will be responsible for enforcing the rules and regulations of the rodeo. 

The rodeo is scheduled to take place on the fourth weekend in April, and the new weights officer will be on duty to ensure that all accounts are handled fairly and equitably.

The rodeo will feature events such as barrel racing, bronc riding, and calf roping, and the new weights officer will be responsible for ensuring that the rodeo is run as fairly and equitably as possible.

He had bought a small dog in a pet store, and the small dog was on his small dog license tags. The small dog was not small, but actually a small dog. Bearcats face tough opener

LIBERTY CITY (AP) — Last season, the Bearcats defense was one of the best in the country, allowing just 8.3 points per game in 16 games, compared to 23.5 points per game in 16 games in 1989. This year, the defense is even better, allowing just 4.2 points per game in 16 games.

One of the keys to the Bearcats' success has been their defense, which has been led by junior linebacker Eric Coates. Coates, who was named the defensive player of the year in the district, has been a force on the field, tallying 82 tackles and 15 sacks.

Carlisle Bearette coach Mark Brown said his team will have to be at its best to beat the Bearcats.

"We've got a lot of respect for the Bearcats," Brown said. "They're a tough team, and we know they're going to be prepared.
