Texas schools get ‘short end of the stick’

By Linda Williams, Texas Education Association

The struggle for adequate funding for public schools in Texas continues, with educators and advocates alike calling for more resources to support students and teachers. The battle is ongoing, as the stateRank the importance of funding Texas public schools.

Public utilities discussed

Public utility commissioners are facing a tough task in protecting the public interest. The recent increase in utility rates has raised concerns among consumers, who are looking for ways to reduce their bills. The commissioners must balance the need for adequate revenue for the companies with the desire to keep rates as low as possible for their customers. It is important for the public to stay informed about the decisions being made to ensure that their interests are being represented.

Bentsen answers sailing, land questions

The Texas Legislature's push to protect the environment and natural resources has been a major focus in recent sessions. Senator John Bentsen, a Democratic representative from the Houston area, has been vocal in his support for measures to preserve the state's waterways and coastal areas. With the state's growing population and increasing development, it is crucial to prioritize the health of the environment for future generations.

Guidelines for Clothesline Art

As the third weekend of October approaches, the anticipated annual Clothsline Art Contest will be held. The contest is sponsored by the Clothesline Art Contest Office, which is located in the Panola County Chamber of Commerce office. The contest features colorful and creative clothing and art works, ranging from traditional to contemporary styles. Participants are encouraged to submit their entries in the contest, which will be judged by a panel of local artists. Entries must be submitted by the deadline of October 30th, and the winners will be announced on November 1st. The contest is open to all artists, including amateur and professional artists. For more information, please contact the Clothesline Art Contest Office or visit their website at www.clotheslineartcontest.org.

Potlatch committees plan something for everyone

The Potlatch committees are working hard to plan something special for everyone. This year's Potlatch will feature a variety of events, including a parade, a fair, and a concert. In addition, there will be a variety of food options available, ranging from traditional Potlatch dishes to more modern options. The date for the Potlatch is October 25th, and the location is the Potlatch Park. For more information, please contact the Potlatch committees or visit their website at www.p otlatchcommittee.org.

The game had two toes marked out in yardage, both of them in the 10-15 range: Reggie Jones' (8) 15-yard sweep and Gerald Wynn's (12) 10-yard sweep. The other team to be at all

Steve Maclay (4) was a 5-0 pickoff in the end zone, and Brandon Pierce (83) was a 2-0 tackle for loss. The offensive line was solid, with D.J. Bowers (77) a 1-0 tackle and George Williams (75) a 2-0 tackle.

Thomasville 10 2 2 - 14

Spring Hill 0 7 7 - 14

Spring Hill quarterback Jerry Turner (44) tossed a 40-yard pass to fullback Reggie Jones (8) for a touchdown in the first quarter. The Bulldogs led 7-0 at halftime.

In the second quarter, Turner hit Jones again for a 40-yard gain. This time, Jones took the ball into the end zone for a touchdown, giving the Bulldogs a 14-0 lead. Turner had completed 8 of 8 passes for 145 yards and 2 touchdowns. The Bulldogs ran 129 yards on 10 carries, while the Cats had 117 yards on 30 carries.

In the third quarter, Turner threw a 25-yard pass to wide receiver Reggie Jones (8) for a touchdown, increasing the lead to 21-0. The Cats had no answers for the Bulldog offense, which scored 21 unanswered points.

The Bulldogs held on for a 21-0 victory, improving to 1-0 on the season. Turner was 14 of 16 for 260 yards and 3 touchdowns. His completion percentage was 87.5, and he had a 39-yard run. Turner's performance earned him Player of the Game honors.

In the post-game interview, Turner said, "I was just trying to get the ball to my teammates in the best possible position. I think we did a good job of executing the game plan and playing to our strengths." The Bulldogs will look to build on this victory as they prepare for their next game against the winless Cats (0-1).

Thanks for Helping

The Old Timers Rodeo Association wishes to extend thanks to members of the Carthage Volunteer Fire Department, Pancola County Ambulance Service and all the many people who worked so hard to make this past weekend's event a success.

Oilers make McMillian wanted man

In the locker room, teammates of Mike McMillian were buzzing with excitement. The talented quarterback had been named the starting quarterback for the upcoming season. The announcement had come as a surprise, as many had expected one of the younger players to be named as the starter.

But for the Oilmen's coach and owner, this was no surprise. McMillian had been the team's backup quarterback for the past two seasons, and had consistently impressed the coaching staff with his performance.

"We knew Mike was capable," said Coach Smith. "He's had some ups and downs, but overall he's been a solid player for us. We're excited to see what he can do as a starter." McMillian was thrilled with the news. "I've been waiting for this opportunity for a long time," he said. "I'm ready to show everyone what I can do."
FOOTBALL CONTEST

PICK-THE-WINNERS

Win up to $50 each week

If you enter the entry form with the correct guesses for the week, you will receive a $50 worth of "Carthage Cash," comparable to the money at any of the sponsoring businesses. If you win, we will send you a check for $15 and a certificate for $10. All entries must be postmarked by Friday, noon.

If you correctly guess all the winners of all games, you will receive a bonus of $50 more in "Carthage Cash." It's total of $85 "Carthage Cash" winnings in all.

Students begin first week of school year

By Jean C. Wilson

Along with all other Texas school districts, the Panola County Independent School District is facing challenges and opportunities due to the impact of COVID-19 on education. School officials are working to ensure the safety of students and staff while also providing high-quality instruction.

The school year started on August 17th with all students following a blended learning model, which combines in-person instruction with remote learning. The district has implemented various health and safety measures to mitigate the spread of the virus, including mandatory mask-wearing, social distancing, and enhanced cleaning protocols.

Despite the challenges, school officials are optimistic about the academic progress of students. "We have a great team of teachers and staff who are committed to providing the best possible education for our students," said Dr. Melissa B. Davis, superintendent of the Panola County ISD.

Parents and community members have also shown their support, with many donating masks, hand sanitizer, and other supplies to help keep the schools safe. "It's heartening to see the support of our community," said Dr. Davis.

The first week of school was challenging, but the district is hopeful for a successful year ahead. "We are committed to providing a safe and effective learning environment for all students," said Dr. Davis. "We appreciate the patience and understanding of our students, parents, and community members as we navigate this unprecedented time."

Some sponsors of this year's Old Time Round are from all over the state. They have contributed a lot to the success of the event.

Card of thanks

Local and statewide organizations are thanked for their contributions to the event.
Heywood has a new home building project. "We were out with 150 kids last week," he says. "It's been a real success." Heywood, who has a long track record in the construction industry, says he's looking forward to the new homes. "I'm really excited about it," he says. "I think it's going to be a great opportunity for our community." Heywood's company has been involved in several similar projects in the past, and he's confident that this one will be successful as well. "We've done a lot of work in the area," he says. "We know the market and we know what our customers want." Heywood's company is also working closely with the local authorities to ensure that the project goes smoothly. "We're working with the city and the county to make sure everything is in order," he says. "We want to be good neighbors and be sure that the people in our community are happy." Heywood is looking forward to seeing the new homes take shape. "It's going to be a real boost for our economy," he says. "I think it's going to be great for everyone involved."

Tanker crash injures driver

A tanker tractor and semi-trailer engaged in a two-axle collision on Highway 2501 and the Texas 146 intersection near Cleveland on Wednesday night, according to preliminary reports. The accident, involving a tanker tractor and trailer, occurred about 6:30 p.m. Driver Robert H. Smith, an employee of Orange County, was taken to the hospital by emergency medical personnel. Mrs. Smith was pronounced dead at the scene. The driver of the truck was transported to the hospital with serious injuries. The cause of the accident is still under investigation.

CISD slates Sept. 17 open house tour

Construction of the new CISD offices is scheduled to begin on September 17, 1996. The new facility, located at 1201 Main Street, is expected to be completed in late 1997. The new offices will provide additional office space for district staff.

City sidewalks redone

The City of Orange has completed the redesign of several city streets, including Main Street and 4th Street. The project involved the replacement of existing sidewalks with new, more durable materials. The project was financed through the city's capital improvement program. The total cost of the project was approximately $300,000.

City commissioners set 1985 budget

By Gary Bruce

The City of Orange City commissioners have approved a $2.5 million budget for the fiscal year ending September 30, 1985. The budget includes funding for public safety, education, and general government services. The budget also includes a $1.5 million bond program to finance the construction of new city facilities.

County salaries draw approval

By Gary Bruce

The Orange County Board of Commissioners has approved the 1985-1986 county salary schedule. The schedule includes raises for all county employees, including elected officials and county employees.

Junior College okays bonuses

By Gary Bruce

The Orange Junior College Board of Trustees has approved a $100,000 bonus plan for its employees. The bonus plan is designed to increase employee retention and improve the college's financial stability.

Beckville ISD sets 58-cent tax rate

The Beckville Independent School District has approved a 58-cent tax rate for the fiscal year ending August 31, 1996. The tax rate is the same as the rate approved last year. The school district's chief financial officer, Paul D. Johnson, said the district is working to control costs and improve efficiency in order to maintain a balanced budget.

In 4-2 vote

The Beckville ISD Board of Trustees voted 4-2 in favor of the 58-cent tax rate.
