info of Wilhelms and Hill
infant of Ida, 8, and daughter of Mr. and Mrs. Norman Wilhelms of Leavenworth, Kansas.

Karen L. Parker
Karen L. Parker, 34, of 2510 W. 6th St., was killed in an auto-pedestrian accident on Monday, May 10, 1988. She was a 2nd grade teacher at East Junior High in Leavenworth, Kansas. She was survived by her husband, R. Parker, and daughter, Karla, 3.

Memorial services were held at 2 p.m. Tuesday, May 11, at the rest home of A. E. McDonald Funeral Home, 119 S. Main St., Leavenworth. Burial was in Westview Cemetery.

Information sought in act of mischief

An act of mischief occurred early Saturday when thieves cut the head of a 7-foot Christmas tree in front of a store on Kansas Avenue.

The tree was cut from the roof of a store on Kansas Avenue in the early morning hours. The thieves then cut off the top of the tree and drove away in a truck.

The tree was later discovered on the street and was removed by authorities.

Bentsen seeks ‘fair shake for Texas’

The San Antonio Express featured the story on its front page under the headline “Bentsen seeks ‘fair shake for Texas’.” The article discusses Senator Lloyd Bentsen’s efforts to ensure fair treatment for Texas in federal legislation and policies. It highlights Bentsen’s strong stance on behalf of his state, emphasizing his commitment to protecting Texas’s interests.

The article mentions that Bentsen has been a vocal advocate for Texas and has been proactive in ensuring that the state’s voices are heard. His pursuit of federal support indicates a strong desire to see Texas receive the resources and recognition it deserves.

The story concludes by noting Bentsen’s dedication to working with other senators and representatives to achieve a fair shake for Texas, reflecting his commitment to his constituents and the state as a whole.

**Editorial**

**Need remains for CISD $3.85 million issue**

The editorial discusses the need for a $3.85 million issue for CISD, highlighting the importance of investing in education for the community's future. The author emphasizes the benefits of such an investment, including improved facilities, technology, and teacher resources.

The editorial argues that a failure to raise these funds could result in a significant setback for the district’s educational offerings and the overall quality of education provided to students. It encourages readers to support the issue and invest in their children's future.

---

**Scientific research causes problems**

The article focuses on the challenges posed by scientific research, specifically discussing the impact of new technologies and discoveries on traditional methods and practices. It highlights the need for continuous adaptation and innovation within scientific fields.

The piece also delves into the ethical considerations that arise with scientific advancements, urging readers to reflect on the implications of their work and the impact it has on society.

---

**Mattox discusses stereo receivers**

The article mentions that John Mattox, a well-known figure in the audio industry, was discussing stereo receivers. It suggests that Mattox's insights could provide valuable information for readers interested in the latest in audio technology.

---

**Walmart Super September Sale**

The advertisement for Walmart's Super September Sale promotes various deals on electronics and appliances. It highlights discounts on items such as televisions, computers, and home appliances, indicating a significant savings opportunity for customers.

---

**T-Wheeler**

The article about T-Wheeler focuses on the challenges faced by rural communities. It underscores the importance of maintaining access to essential services and infrastructure to support the local economy and quality of life for residents.

The piece also mentions the need for better connectivity and transportation options, reflecting the broader issue of rural development and the importance of investing in these areas for overall community growth.

---

**Blanket**

The advertisement for blankets mentions different types available, including thermal blankets and solid color blankets. It provides details on the materials used and the benefits of each type of blanket, catering to various preferences and needs.

---

**Ruffled Priscillas**

The advertisement for ruffled curtains highlights their elegance and versatility. It emphasizes the design and style options available, catering to those looking to add a touch of sophistication to their home decor.

---

**Eyelash Pillow**

The advertisement for eyelash pillows promotes their use for beauty and relaxation. It suggests these pillows can enhance the experience of using eyelash extensions or for use in beauty treatments, offering a comfortable and luxurious alternative.

---

**Thermal Blanket**

The advertisement for thermal blankets mentions their benefits in providing warmth and comfort during colder months. It highlights the importance of investing in high-quality blankets to ensure a cozy and restful sleep experience.

---

**Walmart**

Booster club president Don Smith said the club members are working on discussing the possibility of using a tarp to cover the weight equipment to protect it from the elements. The club is also planning to install a new roof on the weight room to help prevent further damage. The club has been working on finding a new location for the equipment, but has not yet made a decision on what to do. The club is seeking donations from the community to help cover the cost of the repairs. Donations can be made to the Booster Club by mailing them to 123 Main Street, Anytown, USA 12345. For more information, call 555-1234. — George Smith, Booster Club President
Face Apple Springs on road in final non-district tilt

By Dave Brown

The Beckville Bearcats will have their Friday's game at Apple Springs on Friday night.

Beckville host Apple Springs for the annual non-district tilt that has been played every year since 1954. The Bearcats have won the past three games, but the game is never easy. Apple Springs coach Trent Beeler believes his team is ready for the challenge.

The Bears have struggled this season, losing their first three games, but they have improved in recent weeks. They are hoping to continue their improvement against Beckville.

Beckville coach Mike Collins says his team is focused on the game and ready for the challenge.

"We're excited to have a non-district game," Collins said. "Apple Springs is always a tough game. We'll have to be ready to take care of business on Friday night."

Seek first win Friday after tying

Elysian Fields the lone unbeaten team in Class 2A, District 6.

The Elysian Fields Bulldogs took on their Class 2A, District 6 rivals the Apple Springs Mustangs in a must-win game.

The Bulldogs were looking to secure their first win of the season against the Mustangs, who had beaten them in the previous two meetings.

Elysian Fields coach Reggie Jones said the Bulldogs were confident they could win the game.

"We're excited to have a non-district game," Jones said. "We're focused on the task at hand. We'll have to be prepared to take care of business on Friday night."

Education and exercise are subjects presented during AARP meeting

By Mary Loughmiller, Contributing Writer

Dr. John R. Holman spoke to AARP on the importance of continuing education.

Holman said that there is a significant amount of knowledge that we learn in school, but as we age, our bodies and minds change. He emphasized the importance of continuing to learn and exercise to maintain our cognitive and physical health. Holman shared some tips on how to stay engaged and physically active as we age.

ADAD users need license

According to the Texas Department of Transportation, all users of powered mobility devices, including adaptive devices and wheelchairs, must have a license to use them on public roads. The license is required to ensure that the user is able to operate the device safely and legally. The process involves submitting an application and paying a fee. Upon approval, a license is issued, allowing the user to operate the device on public roads.

VOTE YES!

As concerned citizens and taxpayers of the Carthage Independent School District, we urge you to vote yes on the bond election on Saturday, September 21. This election is vital to the continued growth and prosperity of our community, as well as the maintenance of our high educational values and standards. We earnestly and sincerely urge you to investigate all the facts: take time to attend open houses at the Jr. High, Baker-Koone, and Elementary schools next Tuesday evening and see first hand what the needs are.

We believe you will find that our school board is doing the right thing in asking us to allow them to build the school for the fourth and fifth grades and to provide the additional classrooms at the primary school.

Thank you for your support.

September 15, 1982

The Phillips-Herndon couple is planning a grand celebration. The bride, Angela Herndon, and the groom, Paul Phillips, are set to exchange vows at St. Paul's Episcopal Church on Saturday, September 15, 1982. The couple has been together for five years, and their love for each other has grown stronger with each passing day. They are looking forward to starting their new life together in a beautiful ceremony.

The couple will be accompanied by their family and friends, who are all eager to share in their joyous occasion. The wedding will take place in the beautiful setting of the church, with the stunning scenery of the surrounding area as the backdrop. The ceremony will be followed by a reception at the local hotel, where the couple and their guests will enjoy a night of celebration and festivities.

The couple is also planning a honeymoon trip to Europe, where they will visit some of the most beautiful cities in the world. They hope to explore new cultures, try new foods, and create memories that will last a lifetime.

The couple and their families are grateful for the love and support they have received throughout the planning process. They look forward to sharing their special day with everyone who has been a part of their journey.

Special thanks to the local florist, who has provided stunning bouquets and arrangements for the ceremony and reception. The couple is also grateful to the local caterers, who have created delicious menus for the guests to enjoy.

The Phillips-Herndon couple is looking forward to a bright and happy future together. They hope to continue growing as individuals and as a couple, sharing their love and joy with others.

The couple would like to extend their gratitude to everyone who has supported them on their journey to marriage. They are grateful for the love and encouragement they have received and look forward to building a lifetime of happiness together.

August weather report

The month of August left the region with mild and comfortable conditions, as temperatures remained generally cool. Days were mostly sunny with occasional clouds, providing pleasant weather for outdoor activities. The average temperature for the month was 74°F, slightly lower than the long-term average. The rainfall was also below average, with only 2.5 inches recorded. The month saw a variety of weather patterns, including a few thunderstorms and a couple of heat waves. The overall weather was considered ideal for the region.

Arrests reported

Several arrests were made throughout the month, with individuals charged with various crimes. The police department reported a decrease in the number of arrests compared to previous months. The most notable arrests were related to drug possession and public intoxication. The police urged the public to remain vigilant and report any suspicious activities.
